Eyelash & Eyebrow Extension Training Oct 09 2021 For over fifty years I was working in hairdressing and beauty salons. During this time I have trained many people to apply eyelashes. To add to my credits I was chosen to write both the Australian and the international beauty industry assessment and training programs for the Government Standards Association. I am passionate about this industry and my passion extends to the joy of training others. I do not claim to be a talented author but I do claim to be a wonderful teacher. Allow me to share with you what happens to me during an eyelash extension, procedure. A truly peaceful emotion centres my being. A feeling of utopia unfolds as I watch the process of enhancing the face of a client. It is an amazing joyous feeling. It is exciting. That's why clients can become addicted to having their eyelashes extended. It is a lovely feminine course of action. A client having beautiful eyelashes can become addictive. Giving them an emotional lift will flow onto you. Therefore you need to do it right so they can continue to feel like a very pretty woman. Do not turn this into a burden for them. Eyelash extensions lift the entire face giving it a more youthful appearance. If you gain 10% of the joy that I have experienced - you will be a very happy person and love your work. If you slap - the eyelashes on causing eye problems and eyelashes to fall out quickly you will have complaining clients and that turns your day into a nightmare. For you to become an expert at eyelash extensions and gain a good reputation - as a professional eyelash extension expert. You must understand the basics of eye anatomy, eyelash diseases and most importantly the natural eyelash type to attach eyelashes to. We cannot cover all you need to know here in this course. Most of you will have already studied skin science and anatomy. However, we have supplied you with enough information to tease your appetite for knowledge. It is imperative to research your new skills. And more so to practice the use of your tools so you can gain speed. Watch the videos we have recommended in this manual before you begin and again every few months to refresh your knowledge. At Beauty School Books Distance Learning Academe we strive to produce experts. The more you learn about your new skill, the more professional you will become. The quicker you become a professional the better. Practice many times as per the practice instructions before you begin practicing on humans. Before you begin eyelash extension it is important to note that, to gain insurance you will be expected to have completed other forms of beauty therapy training. WRBCS409A Apply knowledge of skin science to beauty therapy treatments. Which is part of the WRB04 Beauty Training Package. It is a core unit for the following qualifications: -WRB40104 Certificate IV in Beauty Therapy-WRB50104 Diploma of Beauty Therapy. The guide has been designed to help you develop the skills and knowledge required to apply the principles of eyelash grafting to beauty therapy treatments. We expect you have a good knowledge of: How to apply knowledge of skin science to beauty therapy treatments 1. Apply knowledge of skin disorders to beauty therapy treatments. 2. Promote skin health and care. 3. Know and understand eyelash growth cycle. 4. Know which eyelash to attach the grafted lash to. 5. Check that you have extremely good eyesight. 6. Lash Out Academy Mar 22 2020 I wrote this book for licensed cosmetologists and estheticians because I noticed a serious lack of training available to people that really wanted to learn the art of proper classic eyelash extensions application. After graduating from the New York Institute of Esthetics, becoming a New York State licensed Esthetician, a certified classic and volume lash specialist, and starting my own lash and skincare business, I wanted to change this. So, in 2017, I created Lash Out Academy to provide the best classic lash extension application training available anywhere. Lash Out Academy provides the most in-depth training available anywhere in the industry. As a Certified Lash Extension Artists, my goal has always been to give my clients the stunning lashes they've always wanted, while maintaining the health of their natural lashes. Eyelash extension application isn't just about placing the extension on the lash - it's about creating a look and style specific to each client in a way that will not compromise their health. I believe lashing is an art. I teach others the art of applying eyelash extensions in a fun and relaxed setting. I offer my training in two formats for your convenience. If you live in the greater Buffalo, New York area, I offer one-on-one private training from my studio. This training is conducted over two full days, learning basic to advanced techniques. I guide you through each step, so you fully understand the entire eyelash application process. You'll be able to apply eyelash extensions successfully, with confidence, and a creative edge. If you're looking for a more convenient option that enables you to learn from the comfort of your own home, I offer the same training online. This is a great option if you work independently and have the self-discipline to practice what you've learned. Since you'll have lifetime access to this online training site, you can revisit the training anytime you wish. You'll leave not only with a "Certificate of Training" but the knowledge and skills needed to truly succeed. All my students receive my continued email and phone support. Need help signing up? No problem. I'll do it for you - just send me an email at trishamurphy21@yahoo.com. OR CALL (585) 300.9824 for any questions related to this Classic Lash Extension Training Course. Enjoy the book!
