The Crucible of Doubt Dec 12 2021 This insightful book offers a careful, intelligent look at doubt--at some of its common sources, the challenges it presents, and the opportunities it may open up in a person's quest for faith.

The Way of the Crucible Jun 18 2022 Alchemy is the ancient sacred science concerned with the mysteries of life and consciousness as reflected through all Nature. It is a harmonious blending of physical and subtle forces which lifts the subject, whether it be man or metal, to a more evolved state of being. The Way of the Crucible is a ground-breaking modern manual on the art of Alchemy that draws on both modern scientific technology and ancient methods. A laboratory scientist and chemist, Bartlett provides an overview of how practical alchemy works along with treatises on Astrology, Qabalah, Herbalism, and minerals, as they relate to Alchemy. He also explains what the ancients really meant when they used the term "Philosopher's Stone" and describes practical methods toward its achievement. The Way of the Crucible provides directions for a more advanced understanding of the mineral work — what some consider the true domain of Alchemy.

Miller, Arthur - The Crucible - The role of John Proctor Dec 20 2019

The Crucible in History and Other Essays May 17 2022 The great play 'The Crucible' exposed the paranoia and suspicion that permeated American society during the Cold War. This collection of essays by Miller reveals the author's thinking, personal peril and despair at that crucial time.

Understanding The Crucible May 25 2020 Ideal for student research and class discussion, this interdisciplinary casebook provides a rich variety of primary historical documents and commentary on The Crucible within the context of two relevant historical periods: the Salem witch-trials of 1692 and the Red Scare of the 1950s, when the play was written. The play is a testimony to the inherent

lemmy.riotfest.org

dangers Miller sees in any community seized by hysteria. The Salem witch-hunts, which Miller uses to illustrate such a community, were echoed more than 250 years later in the hunt for subversives during the Red Scare of the 1950s. The authors provide literary and dramatic analysis of the play, comprehensive historical backgrounds, relevant documents of the periods, and questions and projects to help students in their understanding of *The Crucible* and the issues it raises. In a discussion of Puritan society of the seventeenth century, the authors explore the habits of many of the residents of Massachusetts Bay and specific events which seemed to make the witch-hunts of 1692 inevitable. The text of relevant documents illustrate their beliefs, combined with the disasters that contributed to community hysteria. A chapter on the Salem witch trials includes testimony, letters, and first person accounts by actual people on which Miller based his characters. A chapter on the Red Scare of the 1950s features testimony before the House Un-American Activities Committee, case studies of blacklisted people, and an exclusive interview with a couple who were blacklisted. The authors include a chapter on witch-hunting in the 1990s in the form of testimony from preschoolers which sent child care workers to prison on charges of sexual abuse. Students will be able to compare and contrast witch-hunting over 300 years with the materials provided here, many of which are available in no other printed form. Each section of the casebook contains study questions, topics for research papers and class discussion, and lists of further reading for examining the issues raised by the play.

The Crucible Feb 26 2023 A haunting examination of groupthink and mass hysteria in a rural community The place is Salem, Massachusetts, in 1692, an enclave of rigid piety huddled on the edge of a wilderness. Its inhabitants believe unquestioningly in their own sanctity. But in Arthur Miller's edgy masterpiece, that very belief will have poisonous consequences when a vengeful

teenager accuses a rival of witchcraft—and then when those accusations multiply to consume the entire village. First produced in 1953, at a time when America was convulsed by a new epidemic of witch-hunting, *The Crucible* brilliantly explores the threshold between individual guilt and mass hysteria, personal spite and collective evil. It is a play that is not only relentlessly suspenseful and vastly moving but that compels readers to fathom their hearts and consciences in ways that only the greatest theater ever can. "A drama of emotional power and impact" —New York Post

The Crucible (Arthur Miller) Sep 21 2022

The Crucible Jan 25 2023 "The Crucible" is a 1952 play by the American playwright Arthur Miller. It is a dramatization of the Salem witch trials that took place in the Province of Massachusetts Bay during 1692 and 1693. Miller wrote the play as an allegory of McCarthyism, when the US government blacklisted accused communists. Miller himself was questioned by the House of Representatives' Committee on Un-American Activities in 1956 and convicted of "contempt of Congress" for refusing to identify others present at meetings he had attended. It was first performed at the Martin Beck Theater on Broadway on January 22, 1953. Miller felt that this production was too stylized and cold and the reviews for it were largely hostile (although *The New York Times* noted "a powerful play in a driving performance"). Nonetheless, the production won the 1953 "Best Play" Tony Award. A year later a new production succeeded and the play became a classic. It is a central work in the canon of American drama. Fuji Books' edition of "The Crucible" contains supplementary texts: * "Tragedy And The Common Man", an essay by Arthur Miller. * Excerpts from Nathaniel Hawthorne's magnum opus "The Scarlet Letter", a narrative of the Salem Witch trials. * A few selected quotes of Arthur Miller.

lemmy.riotfest.org

The Crucible Nov 23 2022 "The 1953 premiere of *The Crucible* confirmed Arthur Miller's reputation as one of America's most important and serious playwrights as it underscored the earlier success of Miller's Pulitzer Prize winning drama, *Death of a Salesman*. While dealing with the 1692 witch trials in Salem, Massachusetts, *The Crucible* reveals Miller's concern with issues of individual conscience and guilt by association - issues that were manifest in the social and political problems of his own time. The drama is both a historical play of 17th-century colonial America and a parable about the communist witch-hunts in the United States of the 1950s. Miller uses the moral absolutism of Puritan Salem to parallel the infamous congressional hearings led by Senator Joseph McCarthy. The events which frame Miller's tragic drama are separated by some two hundred and sixty years, but are joined by circumstances where elements of disparate societies seek only evidence of guilt and ignore or suppress all evidence to suggest otherwise. With universal themes that transcend time and place, including national borders, *The Crucible* remains one of the most often produced American plays worldwide." "In *The Crucible: Politics, Property, and Pretense*, James J. Martine extends his analysis beyond the standard critical appraisals that compare the drama's setting only to the time in which it was written - the McCarthy era. Martine examines in detail Miller's historical sources and the ways in which he adapted this material to his contemporary audience. Martine suggests the play should be "read" within a variety of contexts, that is, as a product of and reaction to the McCarthy era, as a milestone in the development of Miller's work, as an exemplar of the genre of tragedy, as part of the tradition of American theatre, and as a basis for later adaptations. In his discussion, Martine considers both the written text and the play as public performance. He examines the play's settings, props, and exits and entrances, and draws attention to the various ways in which Miller built these directions about the play's performance into the written text. Martine argues

convincingly that *The Crucible* should not be approached as a monochromatic written text as it often has been, but as a multifaceted performance text. His study includes photographs of a contemporary staged production, in addition to commentary on Robert Ward's Pulitzer prize-winning opera based on Miller's drama. Martine's multi-leveled exploration enables the reader to understand and thus appreciate *The Crucible* and Arthur Miller more fully."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Beyond the Burning Time Jan 01 2021 When in the winter of 1692, accusations of witchcraft surface in her small New England village, twelve-year-old Mary Chase fights to save her mother from execution.

Arthur Miller's *The Crucible* Jan 13 2022 MAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers.

Arthur Miller's "*The Crucible*". A Story of Witch Hunting and the Red Scare Nov 11 2021 Seminar paper from the year 2016 in the subject English Language and Literature Studies - Literature, grade: 1.7, University of Bonn (Institut für Anglistik, Amerikanistik und Keltologie), course: American Drama, language: English, abstract: The Salem witch hunt and the McCarthy era -

they are definitely two of the rather unpleasant chapters of American history to think of. Even though there are more than 250 years of distance between these two periods, there are still several parallels to be perceived. One might say: History repeats itself! One of the attempts to combine the events of 1692 and the 1950s, and point out their similarities, was made by America's famous playwright Arthur Miller. "The Crucible" was written in 1953 and is set in 1692 Salem. The play would become by far Arthur Miller's most frequently performed play. In the context of McCarthyism, the audiences soon interpreted the play as a veiled attack on the current chase after Communists in the country. However, Arthur Miller time and again denied such an intention, but it appears conceivable that the play was shaped, in a way, by Miller's experiences during McCarthyism. The work in hands is supposed to find out, whether "The Crucible" can be referred to as a play with a dual historical context. In the first chapter of the work, the apparent historical background, the Salem witch trials of 1692, will be outlined briefly. Following this, the play's formation context, America's 1950s and McCarthyism, will be thematized. As Arthur Miller experienced the consequences of the 20th century witch hunt himself, chapter four deals with his experiences with McCarthyism and how it might have affected him writing the play. The next chapter, then, analyzes "The Crucible" in more detail and points out passages that can be related to the events of the 1950s and potentially contain hidden criticism. Finally, in chapter six there will be an attempt to give an answer to the question, whether "The Crucible" can be considered a play with a dual historical context or not. As many of the documents of the Salem witch trials still exist, the course of events can easily be reconstructed. With regard to the events of the 1950s, documents are mainly retained by the FBI, but, however, a few surveys of accused people could be reconstructed either by reports of the accused or by tapes and documents that were somehow not kept under wraps by the FBI. As

Arthur Miller is one of America's most famous playwrights, his plays evoked the interest of many scholars over the last decades.

The Crucible of Empire Jul 07 2021 Sequel to The Course of Empire When humans and their Jao overlords joined forces in a desperate battle to save the Earth from the malevolent race called the Ekhat, the relationship between the two species was changed forever. Two years later, humans and Jao are learning to work together in an uneasy alliance. Then, in a distant nebula, three Jao ships detect signs of another sentient species during a battle with the Ekhat. Only one of the ships returns, with most of its crew dead or injured. Earth's Preceptor Ronz suspects the unknown species was actually the Lleix, a name out of the Jao's past, and an ancient shame from the period in their development when they themselves were still ruled by the maniacal Ekhat. Ronz sends the Lexington, a massive ship built on Earth and crewed by both human and Jao, to investigate. The Lexington dwarfs any ship ever built by the Jao and even outmasses Ekhat ships, which may enable it to survive the attack that destroyed two of the three Jao ships. But if the expedition does find a surviving remnant of the Lleix, will the survivors trust the Jao? And should they? At the publisher's request, this title is sold without DRM (Digital Rights Management).

The Crown and the Crucible (The Russians Book #1) Mar 03 2021 Amid the turbulence of prerevolutionary Russia, the lives of two families become inextricably entwined. When Anna Burenin leaves her tiny village to work in St. Petersburg, she is thrust into the life of the spoiled Princess Katrina Fedorcenko. Soon both peasant and princess will face the prospect of their beloved Russia being torn apart.

The Crucible Dec 24 2022 Based on historical people and real events, Arthur Miller's play uses the destructive power of socially sanctioned violence unleashed by the rumors of witchcraft as a

powerful parable about McCarthyism. Introduction by Christopher Bigsby
Into the Crucible Feb 14 2022 “This is a book for all Marines and future Marines. . . . [and] will also appeal to Marines of the ‘Old Corps’ since it shows we still ‘make ‘em like we used to.’”—Leo J. Daugherty III, Marine Corps Gazette “Something so tough, so powerful, that unless you join together, you can’t accomplish the defining moment. Your team will not make it unless you pull together.”—General Charles C. Krulak, Commandant, United States Marine Corps Welcome to the Crucible Event. This is the culmination of Marine Corps basic combat training, boot camp. The Crucible Event is the “defining moment” for young Marine recruits. Once inside the crucible, the recruits are faced with fifty-four gruelling hours with little sleep, little food, and a series of events that will tax them physically and mentally. The recruit platoon will be profoundly tested as individuals. Even more important, they will discover that they are unable to pass through the crucible except as a team. Beyond the Crucible Event’s physical demands of endurance is the reinforcement of the core values of the United States Marines: honor, courage, and commitment. The crucible creates a change of mind, body, and spirit that will last a lifetime, whether one wears the uniform for four years or forty—a constant reminder of the supreme responsibility that comes with the title “United States Marine.” Praise for *Into the Crucible* “Provides a wealth of factual information and insider insights. . . . [and] provides a fascinating first-hand look at the revolutionary training ‘event’ and shows why it has become so effective. Readers—whether Marines, civilians, or other members of other services will find Wolfe’s book a worthwhile read.”—SeaPower Magazine “A powerful and inspiring book.”—Terry Mapes, Mansfield, Ohio, News Journal
[Leadership in the Crucible](#) Apr 16 2022 At the pivotal battles of Twin Tunnels and Chipiyong-ni in February 1951, U.N. forces met and contained large-scale attacks by Chinese forces. Colonel Paul

Freeman and the larger-than-life Colonel Ralph Monclar led the American 23rd Infantry Regiment and the French Bataillon de Corée, respectively, in the fierce and dangerous battles that followed the precipitous U.N. retreat down the Korean Peninsula. In *Leadership in the Crucible*, Kenneth Hamburger details the actions of the units in the United Nations counteroffensive following the Chinese intervention, including routine patrols, the harrowing battle of Twin Tunnels, and the pivotal siege of Chipyeong-ni. The regiment was cut off from artillery fire support and was resupplied only by parachute drops. Repeatedly attacked by superior Chinese forces during the two nights and final day of fighting, the U.N. units finally welcomed relief by the armored Tank Force Crombez of the 1st Cavalry Division. From extensive personal interviews and a careful reconstruction of the written record, Hamburger brilliantly analyzes the roles that training, cohesion, morale, logistics, and leadership play in success or failure on the front lines of limited war. He also addresses the vexing problem of when, and at what level, commanders have the right and even the responsibility to question lawful orders they believe are flawed. In this careful consideration of combat leadership at all levels, Hamburger offers his readers stories of men sustaining themselves and one another to the limits of human endurance. By thoroughly sorting out the chaos, carnage, and courage of the battles, he provides a uniquely detailed description of these two crucial battles and a well-organized discussion of unit cohesion and command that is sure to become a classic in the field of leadership studies.

The Crucible Mar 27 2023 Tale about the Puritan witch trials in the late 1600's Salem (Massachusetts), and how this historical play's lessons apply to contemporary society.

The Crucible Oct 30 2020 This book was written during the height of the Army McCarthy Hearings, when writers were investigated by Senator Joe McCarthy and his side-kick Roy Cohen for their

suspected left-wing leanings, and were often alleged to be Communists or Soviet spies. The infamous Hollywood Ten of writers were blacklisted and their movies could not be produced. Arthur Miller was one of them but he got off by agreeing to testify. Improbable as it may seem nowadays, these things really did happen at about the time that Arthur Miller wrote "The Crucible". They happened to Arthur Miller, too. Arthur Miller preferred not to have to jump out a window to protect his works. So, he is now remembered primarily for having been the husband of screen actress Marilyn Monroe for two years and he wrote screenplays for some of her movies. Arthur Miller wrote The Crucible about the real Witch Hunts that took place in Salem Massachusetts in 1692, which can be compared to the Army McCarthy Witch Hunts of 1952. And Ishi Press is reprinting this book now in comparison with the actual Witch Hunts taking place in Washington DC in 2020, being led by the greatest and most ruthless Witch Hunter of them all, Donald J. Trump. Even though The Crucible is a novel, it is based on actual historic facts. All of the characters in The Crucible were real people. Their names and dates were real. Arthur Miller lived in Salem Massachusetts for several months to research this book while writing it. The principal characters are John Proctor. His wife is Elizabeth and his former domestic servant is Abigail. John Proctor is a farmer in Salem Massachusetts. Mary Warren is a servant girl who works as a domestic for the Proctors. She is arrested and charged with being a witch. She saves herself by testifying against the Proctors. Abigail is carrying on a sexual affair with John Proctor even though she is only eleven years old!!! Both Elizabeth and Abigail are jealous of each other. Abigail wants Elizabeth executed as a witch so she can carry on her affair and sleep with with John Proctor.

Justice in Arthur Miller's The Crucible Feb 02 2021 Collects essays debating the theme of justice in Miller's "The Crucible," with topics ranging from parallels with McCarthyism and governmental

hysteria following the September 11th terrorist attacks.

The Crucible Jun 25 2020 A literary study guide that includes summaries and commentaries.

Arthur Miller - Death of a Salesman/The Crucible Nov 30 2020 Arthur Miller was one of the most important American playwrights and political and cultural figures of the 20th century. Both *Death of a Salesman* and *The Crucible* stand out as his major works: the former is always in performance somewhere in the world and the latter is Miller's most produced play. As major modern American dramas, they are the subject of a huge amount of criticism which can be daunting for students approaching the plays for the first time. This Reader's Guide introduces the major critical debates surrounding the plays and discusses their unique production histories, initial theatre reviews and later adaptations. The main trends of critical inquiry and scholars who have purported them are examined, as are the views of Miller himself, a prolific self-critic.

[The Forge and the Crucible](#) Apr 23 2020 Primitive man's discovery of the ability to change matter from one state to another brought about a profound change in spiritual behavior. In *The Forge and the Crucible*, Mircea Eliade follows the ritualistic adventures of these ancient societies, adventures rooted in the people's awareness of an awesome new power. The new edition of *The Forge and the Crucible* contains an updated appendix, in which Eliade lists works on Chinese alchemy published in the past few years. He also discusses the importance of alchemy in Newton's scientific evolution.

Danger, Memory! Jan 21 2020 In "Danger: Memory!" Two contrasting but thematically related one-act plays, *I Can't Remember Anything* and *Clara*, are concerned with remembrance. The first play portrays the shared and disputed recollections of two elderly friends, and *Clara* dramatizes the resistance to brutal present-day fact when a young woman's father speaks with a detective investigating her murder. Like all of Miller's plays, *Danger: Memory!* holds the powerful emotional

charge and social perceptions associated with his work while reaching for one of the fundamental issues of mankind, the selective amnesia of the past.

Women in the Crucible of Conquest Jun 06 2021 The first history of women's contributions to the Spanish colonization of the New World.

The crucible : a play in four acts Mar 15 2022

The Crucible Jul 27 2020 Now a major film from 20th Century Fox This is the first-ever adaptation of Arthur Miller's twentieth century classic for the big screen. Set in the 17th century, it famously mirrors the communist "witch-hunts" of McCarthyism in 50s America. A fascinating and disturbing dramatisation of the collective psychology of persecution it shows all too painfully how even a close-knit rural community can be desolated once doubt and suspicion take hold.

Out of the Crucible Mar 23 2020 This book examines in depth the century-long struggle of Black laborers in the iron and steel industry of western Pennsylvania. In the process it shows how the fate of these Black workers mirrors the contemporary predicament of the Black working class and the development of a chronically unemployed underclass in America's declining industrial centers. Dickerson argues that persistent racial discrimination within heavy industry and the decline of major industries during the 1970s are key to understanding the social and economic situation of twentieth-century urban Blacks. Through a blend of historical research and contemporary interviews, this study chronicles the struggle of Black steelworkers to gain equality in the industry and the setbacks suffered as American steelmaking succumbed to foreign competition and antiquated modes of production. The plight of western Pennsylvania's Black steelworkers reflects that of Black laborers in Chicago, Gary, Detroit, Cleveland, Youngstown, Birmingham, and other major American cities where heavy industry once flourished.

The Crucible Apr 28 2023 A haunting examination of groupthink and mass hysteria in a rural community A Penguin Classic "I believe that the reader will discover here the essential nature of one of the strangest and most awful chapters in human history," Arthur Miller wrote in an introduction to *The Crucible*, his classic play about the witch-hunts and trials in seventeenth-century Salem, Massachusetts. Based on historical people and real events, Miller's drama is a searing portrait of a community engulfed by hysteria. In the rigid theocracy of Salem, rumors that women are practicing witchcraft galvanize the town's most basic fears and suspicions; and when a young girl accuses Elizabeth Proctor of being a witch, self-righteous church leaders and townspeople insist that Elizabeth be brought to trial. The ruthlessness of the prosecutors and the eagerness of neighbor to testify against neighbor brilliantly illuminate the destructive power of socially sanctioned violence. Written in 1953, *The Crucible* is a mirror Miller uses to reflect the anti-communist hysteria inspired by Senator Joseph McCarthy's "witch-hunts" in the United States. Within the text itself, Miller contemplates the parallels, writing: "Political opposition...is given an inhumane overlay, which then justifies the abrogation of all normally applied customs of civilized behavior. A political policy is equated with moral right, and opposition to it with diabolical malevolence." For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Crucible Jul 19 2022 Part of the Penguin Orange Collection, a limited-run series of twelve influential and beloved American classics in a bold series design offering a modern take on the

iconic Penguin paperback Winner of the 2016 AIGA + Design Observer 50 Books | 50 Covers competition For the seventieth anniversary of Penguin Classics, the Penguin Orange Collection celebrates the heritage of Penguin's iconic book design with twelve influential American literary classics representing the breadth and diversity of the Penguin Classics library. These collectible editions are dressed in the iconic orange and white tri-band cover design, first created in 1935, while french flaps, high-quality paper, and striking cover illustrations provide the cutting-edge design treatment that is the signature of Penguin Classics Deluxe Editions today. The Crucible One of the true masterpieces of twentieth-century American theater, The Crucible brilliantly explores the threshold between individual guilt and mass hysteria, personal spite and collective evil. It is a play that is not only relentlessly suspenseful and vastly moving, but that compels readers to fathom their hearts and consciences in ways that only the greatest theatre can.

Characterization of Morality and Values in Arthur Miller's Play "The Crucible" Aug 08 2021

Studienarbeit aus dem Jahr 2013 im Fachbereich Englisch - Literatur, Werke, Universität Siegen, Sprache: Deutsch, Abstract: In The Crucible (1953), a four-act play, Miller's scene is Salem, Massachusetts in the year 1692 and the action is based on the witchcraft trials of that time. In "A Note on the Historical Accuracy of This Play," Miller says: "This play is not history in the sense [...] used by the academic historian," for "dramatic purposes" prompted certain changes in the record. Nevertheless, Miller believes the "reader will discover here the essential nature" of the Salem trials (Miller, in: Murray: 1967, p. 52). This quote describes the truth in an appropriate short way. The following analysis of the main characters has not the aim to offer the reader an adequate historical overview, nor to work as an outline to present the details of the people who lived in Salem in 1692. The aim is in fact to characterize and interpret the protagonists, as Miller did it in his day, and

through this, to expose the development of their sense of morality and their pursuit of freedom, especially of John Proctor. To reach that aim the focus will be on John Proctor's internal state of mind concerning his contradictory behavior. This means his strengthening of his will and his conviction of what is wrong and right. The reader will find a development of his comprehension of his 'self' among emotional alterations, which matters a lot in Miller's dramas, as much as social behavior and religious crises. Those crises start a chain of events, which do most notably peak in Proctor's quest for identity and the dramatic finding of it. Through information given in the dialogues in Miller's play *The Crucible* will the reader be told about the answers to the question, what the influences were that the main characters had on John Proctor. After the analysis of the protagonists a special analysis of John Proctor takes place which has the aim to describe his search for identity and resume and evaluate it in a conclusion in the end. Due to the mentioned focus on the finding of Proctor's 'self' there will be no explicit study of historical backgrounds of the Salem witchcraft trials per se. And due to the lack of space in this study will there be no further analysis of further plays of Miller or his way of narrating plays in general. The text will shortly be about characterizations of the main roles in Arthur Miller's *The Crucible*, with focus on John Proctor's view of morality and his 'self'. And a conclusion. As Bigsby (2005: p. 158) said before: "The Crucible is both an intense psychological [...]."

The Dual Historical Context of Arthur Miller's "The Crucible" Apr 04 2021 Seminar paper from the year 2000 in the subject American Studies - Literature, grade: 1,7 (A-), University of Münster (Anglistics/ American Studies), course: Advanced Seminar Modern American Drama, 13 entries in the bibliography, language: English, abstract: As Arthur Miller states in his autobiography,¹ *The Crucible* has become his most frequently produced play. This great success of a

conventional drama can certainly not be explained without regard to its political message. When the play was first performed in 1953, its audiences were quick to recognize the connections between the witch craze in 17th century Massachusetts and the American anti-communist hysteria of their own time. Like any literary text, *The Crucible* reflects the conditions under which it was produced, and Miller himself says that he could not have written it at any other time.² Since in this case parallels between the events in both times are extremely striking, it seems necessary for the understanding and interpretation of the play to explain its dual historical context. At the same time, it would be wrong to interpret Miller's drama against this background only. Or, as Reitz puts it: "The Crucible ist kein Schlüsseldrama, das auf die vordergründige Aktualität von Wiedererkennungseffekten setzt und zu diesem Zweck Anhänger und Gegner McCarthys als Puritaner (...) kostümiert".³ Miklos Trocsanyi argues similarly, pointing out that Miller was glad, when in the contemporary criticism (...) less and less mention was made of and parallel drawn between the witchcraft hysteria and McCarthyism. It meant that the deeper message was more and more appreciated.⁴ Finding out about this "deeper message" is what the analysis of the dual historical context aims at. Therefore this research paper will, after explaining the historical circumstances of both the Salem witch hunt and the American anticommunism under McCarthy, focus on parallel phenomena underlying the events in both times. This comparison, whic

The Crucible - Arthur Miller Feb 20 2020 *The Crucible* still has permanence and relevance a half century after its initial publication. This powerful political drama set amidst the Salem witch trials is commonly understood as Arthur Miller's poignant response to McCart.

Arthur Miller's "The Crucible" and its relation to McCarthyism of the American 1950s Oct 10 2021
Pre-University Paper from the year 2008 in the subject English Language and Literature Studies - Literature, grade: 1,7, , language: English, abstract: Arthur Miller, one of the most important sociocritical dramatists of the 20th century, treats in his famous play *The Crucible* the witch hunts of Salem in 1692. Considering this drama, the biography of Miller and the political situation in the date of origin of *The Crucible*, I would like to clarify the coherences between the drama and the highhanded persecution of inculpable humans in the American 1950s, at the time of McCarthyism. The first part of my work deals with Arthur Miller, his life and his play *The Crucible*. In this part I would like to elucidate Miller's personal connection to the anti-communist campaign. Furthermore, I would like to show the destructiveness of rumours with regard to the executions happened in the late 17th century and accurate reflected in *The Crucible*. Moreover, I will enlarge upon the effects of the religion, in this case Puritanism, on the behaviour of the bourgeois and the justice. The second part of my work deals with Joseph McCarthy, his life, the commencements of McCarthyism, the course of the trials and decline of McCarthyism. In this part I would like to show the arbitrariness of Joseph McCarthy with which he accused innocent people. Furthermore, I will enlarge on the cruelly effects of such persecutions, which destroy the person's futures and, as to *The Crucible*, the whole life. Part three of my work will consist of conclusions about the impact of McCarthyism and Arthur Miller's drama *The Crucible*.

The Crucible Sep 28 2020

Fire in the Crucible Aug 20 2022 What makes a genius different? Is a genius born or made? In this exploration of creativity, the author reveals that there is no special trait of genius. Rather than being gifted above ordinary people, a genius will give expression to subtle nuisances, and perceptions that

others ignore.

The Crucible of Race May 05 2021 This landmark work provides a fundamental reinterpretation of the American South in the years since the Civil War, especially the decades after Reconstruction, from 1877 to 1920. Covering all aspects of Southern life--white and black, conservative and progressive, literary and political--it offers a new understanding of the forces that shaped the South of today.
