This book is a comprehensive manual for those new to chess, which explains with great clarity the basics of the game. Using innovative methods, Gude ensures that readers quickly grasp each key concept before building on it by introducing new ideas. This is an interactive course. With a total of 280 questions and exercises to tackle, the reader will quickly gain skills rather than mere knowledge. Gude strips the mystery away from tactics and combinations by looking first at the strengths and weaknesses of each piece in isolation, and then showing how they work together with each of the other pieces. He also presents guidelines on chess strategy that will help shape the reader's understanding of chess, and a wide variety of patterns for the reader's all-important 'mental database'. The section on openings explains the main aims of each major opening, and the style of game to which they tend to lead, together with some key variations. Later chapters provide examples of how to launch attacks, putting together the skills from earlier chapters, and deal with issues such as chess training, psychology and competitive chess at club and tournament level.

Draping—the art of using cotton muslin to create womenswear directly on a

dress form—is an essential skill for fashion designers. Through a series of step-by-step projects, designed to develop skills from the most basic to more advanced techniques, this book will guide you in creating both classic and contemporary garments, as well as historical styles and costumes. Draping projects include dresses, bustiers, and jackets, and highlight key fashion garments such as Audrey Hepburn's dress from *Breakfast at Tiffany's* and the Dolce & Gabbana tuxedo jacket. Starting with the basics of choosing and preparing the dress form for draping, the book advances through pinning, trimming, and clipping, and creating shape using darts and tucks, to adding volume using pleats and gathers, and handling complex curves. Advanced skills include how to use support elements such as shoulder pads, under layers, and petticoats, and how to handle bias draping. The book culminates with a chapter on improvisational skills. Each skill and technique throughout the book is explained with step-by-step photographs and line drawings that bring the art of creating womenswear in three dimensions to life.
