2020 Trieste
Publishing has a
massive catalogue
of classic book
titles. Our aim is to
provide readers
with the highest
quality
reproductions of
fiction and non-
fiction literature
that has stood the

test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that

this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not

only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates. *Where Is the Baby; Uganda Reader* Oct 23 2022

The Gilded Cage
Jun 07 2021 After growing up on a farm in Virginia, Walthingham Hall in England seems like another world to sixteen-year-old

Katherine Randolph. Her new life, filled with the splendor of upper class England in the 1820s, is shattered when she discovers the corpse of her brother George in a lake on the estate--the tragic accidental drowning of a young man, the coroner reports, despite the wound to George's head. Katherine is expected to observe the mourning customs and get on with her life, but she can't accept that her brother's death was an accident. A bitter poacher prowls the estate, and strange visitors threaten the occupants of the house. There's a rumor, too, that a wild animal stalks the woods of

Walthingham. Can Katherine retain her sanity long enough to find out the truth? Or will her brother's killer claim her life, too? **The Cumulative Book Index** May 06 2021 *The Literary Legacy of the Macmillan Company of Canada* Feb 15 2022 "Fifth Business and Alligator Pie. Stephen Leacock, Grey Owl, and Morley Callaghan: these treasured Canadian books and authors were all nurtured by the Macmillan Company of Canada, one of the country's foremost twentieth-century publishing houses. The Literary Legacy of the Macmillan Company of Canada is a unique look at the contribution of

publishers and editors to the formation of the Canadian literary canon. Ruth Panofsky's study begins in 1905 with the establishment of Macmillan Canada as a branch plant to the company's London office. While concentrating on the firm's original trade publishing, which had considerable cultural influence, Panofsky underscores the fundamental importance of educational titles to Macmillan's financial profile. The Literary Legacy of the Macmillan Company of Canada also illuminates the key individuals -- including Hugh Eayrs, John Gray, and Hugh Kane --

whose personalities were as fascinating as those of the authors they published, and whose achievements helped to advance modern literature in Canada."-- Publisher's website. [Macmillan's reading books](#) Jan 26 2023 [Sea of Gray](#) Nov 24 2022 Assembled from hundreds of original documents, including intimate shipboard journals kept by Shenandoah officers, *Sea of Gray* is a masterful narrative of men at sea. The sleek, 222-foot, black auxiliary steamer *Sea King* left London on October 8, 1864, ostensibly bound for Bombay. The subterfuge was ended off the shores of Madeira,

where the ship was outfitted for war. The newly christened CSS *Shenandoah* then commenced the last, most quixotic sea story of the Civil War: the 58,000-mile, around-the-world cruise of the Confederacy's second most successful commerce raider. Before its voyage was over, thirty-two Union merchant and whaling ships and their cargoes would be destroyed. But it was only after ship and crew embarked on the last leg of their journey that the excursion took its most fearful turn. Four months after the Civil War was over, the *Shenandoah's* Captain Waddell

finally learned he was, and had been, fighting without cause or state. In the eyes of the world, he had gone from being an enemy combatant to being a pirate—a hangable offense. Now fearing capture and mutiny, with supplies quickly dwindling, Waddell elected to camouflage the ship, circumnavigate the globe, and attempt to surrender on English soil. "A superb account of how the Confederate raider *Shenandoah* brought the American Civil War to the farthest reaches of the world." -- Nathaniel Philbrick, author of *Mayflower and Sea of Glory* [The Picture of](#)

Dorian Gray Jan 02 2021
The Grays Feb 21 2020 In the #1 New York Times bestselling tradition of *Communion*, Whitley Strieber returns with a terrifying novel of alien occupation. We are not alone. Millions of people are confronting aliens that authorities say do not exist. Meet the Three Thieves, a group of Grays assigned to duty in a small Kentucky town. They have been preparing a child for generations. Innocent Conner Callaghan will face the ultimate terror as he struggles to understand who he has been bred to be, and what he must do to save humanity. Colonel

Michael Morax strives to keep the secret of the Grays from the public for reasons so sinister, yet believable, that they read like truth. And Lauren Glass, government "empath" to the last surviving captive Gray, known only as B for Bob, has a unique ability to communicate with this captive Gray. But when B for Bob suddenly escapes the highly secure underground Air Force facility that he's been captive in for years, a frantic race begins, as the government must outmaneuver the Grays to keep the secret of their presence intact. The Grays is a mind-bending journey behind the curtain of secrecy that surrounds the

subject of aliens, written by the field's great master, Whitley Strieber. If you've never so much as thought about the subject before, this book will make you think deeply, not only about the mystery of who the Grays are, but who exactly we are. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Picture of Dorian Gray Feb 27 2023
Freedom May 18 2022 Part of a series aimed at introducing readers to the intricacies of contemporary

debates concerning fundamental political issues. Aiming to offer a comprehensive account of freedom, this work explores the issues of aggregation and distribution, justification, measurement and meaning. Shades of Gray Sep 29 2020 The Civil War may be over, but for 12-year-old Will Page, who considers the Yankees responsible for the deaths of his parents and brother and sisters, the pain will never end. And now Will has to go live with his Uncle Jed, who refused to fight for the Confederate cause. But is Uncle Jed the traitor and coward Will believes him to be?

An ALA Notable Book. Winner of the Scott O'Dell Award. Copyright © Libri GmbH. All rights reserved. Implication, Readers' Resources, and Thomas Gray's Pindaric Odes Apr 05 2021 More radically than had any contemporary English author's work, Thomas Gray's two Pindaric odes of 1757, effectively challenged readers' powers of comprehension, posing problems of reference as well as distinctly Pindaric problems of coherence. Solving those problems calls for knowledge not widely had then, now, or in between. *Isadora* Mar 16 2022 Using the

scaffolding of Isadora Duncan's life and the stuff of her spirit, Amelia Gray delivers an incredibly imaginative portrait of the artist In 1913, the restless world sat on the brink of unimaginable suffering. But for one woman, the darkness of a new era had already made itself at home. Isadora Duncan would come to be known as the mother of modern dance, but in the spring of 1913 she was a grieving mother, after a freak accident in Paris resulted in the drowning death of her two young children. The accident cracked Isadora's life in two: on one side, the brilliant young

talent who captivated audiences the world over; on the other, a heartbroken mother spinning dangerously on the edge of sanity. Isadora is a shocking and visceral portrait of an artist and woman drawn to the brink of destruction by the cruelty of life. In her breakout novel, Amelia Gray offers a relentless portrayal of a legendary artist churning through prewar Europe. Isadora seeks to obliterate the mannered portrait of a dancer and to introduce the reader to a woman who lived and loved without limits, even in the darkest days of her life.

Museum of the Weird Feb 03 2021

A stunning collection of stories that reveal wondrous play and surreal humor. Story subjects include a monogrammed cube that appears in town, a landlord that cheats you out of first place in the annual Christmas decorating contest, and learning to care for a paring knife as your mate.

Black Mass Dec 13 2021 For the

decade that followed the end of the cold war, the world was lulled into a sense that a consumerist, globalized, peaceful future beckoned. The beginning of the twenty-first century has rudely disposed of such ideas—most obviously through 9/11 and its aftermath. But just as damaging has been the rise in the West of a belief that a single model of political behavior will become a worldwide norm and that, if necessary, it will be enforced at gunpoint. In *Black Mass*, celebrated philosopher and critic John Gray explains how utopian ideals have taken on a dangerous

decade that followed the end of the cold war, the world was lulled into a sense that a consumerist, globalized, peaceful future beckoned. The beginning of the twenty-first century has rudely disposed of such ideas—most obviously through 9/11 and its aftermath. But just as damaging has been the rise in the West of a belief that a single model of political behavior will become a worldwide norm and that, if necessary, it will be enforced at gunpoint. In *Black Mass*, celebrated philosopher and critic John Gray explains how utopian ideals have taken on a dangerous

significance in the hands of right-wing conservatives and religious zealots. He charts the history of utopianism, from the Reformation through the French Revolution and into the present. And most urgently, he describes how utopian politics have moved from the extremes of the political spectrum into mainstream politics, dominating the administrations of both George W. Bush and Tony Blair, and indeed coming to define the political center. Far from having shaken off discredited ideology, Gray suggests, we are more than ever in its clutches. Black Mass is a truly frightening and

challenging work by one of Britain's leading political thinkers. *Authors in Context: Oscar Wilde* Jul 20 2022 Wit, dandy, literary anarchist, self-publicist, and homosexual martyr: Wilde achieved fame and notoriety at a time when mass culture and communication promoted the 'new' in every area of British life. This book examines the rich interplay between Wilde's society and his writings and shows the remarkable recontextualizing of Wilde and his work in film, stage, and the media in the century following his death. - ;*Authors in Context* examines the work of major writers in relation to their

own time and to the present day. Combining history with lively literary discussion, each volume provides comprehensive insight into texts in their context. Wit, dandy, literary anarchist, self-publicist, and homosexual martyr: Wilde achieved fame and notoriety at a time when mass culture and communication promoted the 'new' in every area of British life - 'New Women', 'New Hedonism', 'New Journalism', 'New Imperialism'. His plays, tales, and critical writings questioned traditional attitudes to religion, sexuality, women and the home, crime and punishment, and

the freedom of the individual. This book examines the rich interplay between Wilde's society and his writings and shows the remarkable recontextualizing of Wilde and his work on stage, in film and the media in the century that has followed his death. -

Scratchgravel

Road Oct 11 2021

The twisty follow-up to the Hillerman Prize-winning *The Territory*, featuring tough smalltown Texas police chief Josie Gray. It was pure luck that Josie Gray spotted Cassidy Harper's car, abandoned on the side of the road. If she hadn't, then she'd never have found Cassidy, lying nearly dead of heatstroke on the desert sand beside

the body of a Mexican immigrant. But Cassidy can't explain why she was out for a walk in the midday desert heat, let alone how she happened upon the corpse. And once Josie sees the ominous wounds on the man's body, she knows she needs to find the answer fast, before her own life is in danger. Tricia Fields's *The Territory* marked her as talented new author of Southwestern crime, and *Scratchgravel Road* marks an inventive new mystery set in the unique world of smalltown Texas. [A Little Space for Me](#) Apr 17 2022 With clever, inventive art and universally relatable themes, A

Little Space for Me by Jennifer Gray Olson is a heartwarming picture book about the importance of mindfulness, understanding, and finding a moment of peace within a big, busy world.

Sometimes, when it's too loud, too crowded, too messy, too smelly, or for no reason at all, you might just need a little bit of space to feel like yourself again.

[The Picture of Dorian Gray](#) Jan 14 2022

And Now She's

Gone May 26 2020

"Sharp, witty and perfectly paced, *And Now She's Gone* is one hell of a read!" —Wendy Walker, bestselling author of *The Night Before Isabel Lincoln* is gone. But

is she missing? It's up to Grayson Sykes to find her. Although she is reluctant to track down a woman who may not want to be found, Gray's search for Isabel Lincoln becomes more complicated and dangerous with every new revelation about the woman's secrets and the truth she's hidden from her friends and family. Featuring two complicated women in a dangerous cat and mouse game, Rachel Howzell Hall's *And Now She's Gone* explores the nature of secrets — and how violence and fear can lead you to abandon everything in order to survive. At the Publisher's request, this title is being sold without

Digital Rights Management Software (DRM) applied.

[Macmillan's Reading Books](#) Dec 25 2022

Gutshot Nov 12 2021 A searing new collection from the inimitable Amelia Gray. A woman creeps through the ductwork of a quiet

home. A medical procedure reveals an object of worship. A carnivorous reptile divides and cauterizes a town. Amelia Gray's curio cabinet expands in *Gutshot*, where isolation and coupling are pushed to their dark and outrageous edges. These singular stories live and breathe on their own, pulsating with energy and humanness and a glorious sense of humor. Hers are stories that you will read and reread—raw gems that burrow into your brain, reminders of just how strange and beautiful our world is. These collected stories come to us like a vivisectioned

body, the whole that is all the more elegant and breathtaking for exploring its most grotesque and intimate lightless viscera.

Threats Mar 24 2020 David's wife is dead. At least, he thinks she's dead. But he can't figure out what killed her or why she had to die, and his efforts to sort out what's happened have been interrupted by his discovery of a series of elaborate and escalating threats hidden in strange places around his home—one buried in the sugar bag, another carved into the side of his television. These disturbing threats may be the best clues to his wife's death: CURL UP

ON MY LAP. LET ME BRUSH YOUR HAIR WITH MY FINGERS. I AM SINGING YOU A LULLABY. I AM TESTING FOR STRUCTURAL WEAKNESS IN YOUR SKULL.

Detective Chico is also on the case, and is intent on asking David questions he doesn't know the answers to and introducing him to people who don't appear to have David's or his wife's best interests in mind. With no one to trust, David is forced to rely on his own memories and faculties—but they too are proving unreliable. In THREATS, Amelia Gray builds a world that is bizarre yet familiar, violent yet tender. It is an

electrifying story of love and loss that grabs you on the first page and never loosens its grip.

Zippo the Super Hippo Dec 21 2019
Zippo doesn't want to be an ordinary hippo. He wants to be super!

"Everyone has a super power," says his best friend Roxi.

"You just have to work out what yours is." Being good at swimming and splashing in mud aren't really superpowers though. Perhaps Zippo can fly like Roxi. But who's ever heard of a flying hippopotamus? Especially one with such a big bottom. Maybe there's a power in that . . .
From award-

winning author Kes Gray and exciting new illustrating talent Nikki Dyson. This fantastically funny superhero will be flying into children's imaginations and inspiring them to celebrate all that is super about themselves.

All of Me Jun 26 2020 "Beautifully written, brilliant, and necessary," (Matt de la Pena, Newbery Medalist), here is a body-positive book about

how a boy deals with fat-shaming. Ari has body-image issues. After a move across the country, his parents work selling and promoting his mother's paintings and sculptures. Ari's bohemian mother needs space to create, and his father is gone for long stretches of time on "sales" trips. Meanwhile, Ari makes new friends: Pick, the gamer; the artsy Jorge, and the troubled Lisa. He is also relentlessly bullied because he's overweight, but he can't tell his parents—they're simply not around enough to listen. After an upsetting incident, Ari's mom suggests he go on a diet, and she gives him a book to help.

But the book—and the diet—can't fix everything. As Ari faces the demise of his parents' marriage, he also feels himself changing, both emotionally and physically. Here is a much-needed story about accepting the imperfect in oneself and in life.

London: An Illustrated Literary

Companion Aug 29
2020 London: An Illustrated Literary

Companion, compiled by Rosemary Gray, captures the varying moods of the great city over recent centuries, through diary entries, with quotations, poems, essays and extracts from great works written in its honour. It is beautifully illustrated with drawings and engravings from distinguished artists, including Gustave Doré,

George Cruikshank, James McNeill Whistler and Hugh Thomson, and contains contemporary prints and photographs. Designed to appeal to the booklover, the Macmillan Collector's Library is a series of beautiful gift editions of much loved classic titles. Macmillan Collector's Library are books to love and treasure.
