Good Day! , the critically-acclaimed biography about the legendary Paul Harvey, is now in paperback! In this heartwarming book, author Paul J. Batura tells the all-American story of one of the best-known radio voices in history. From his humble beginnings to his unparalleled career of more than 50 years with ABC radio, Paul Harvey narrated America's story day by day, through wars and peace, through the threat of communism and the crumbling of old colonial powers, through consumer booms and eventual busts. Draws on decades of experience by the late renowned golf pro as documented in a small red notebook throughout his career, sharing practical, non-technical wisdom for players of any experience level on how to maximize golf skills. Half of all new golfers are women, and here Harvey Pennick directs his advice to meet the unique needs of the woman golfer. The Little Red Book of Golf Wisdom is packed full of thoughtful and witty quotes on the game that has maddened, excited, and delighted generations of players and fans alike. Golfing legends, literary giants, celebrities, and politicians offer pithy and memorable comments on the sport that A. A. Milne once described as “the best game in the world at which to be bad.” Read musings on golf from such noteworthy folks as: • John Updike • Bill Clinton • Ben Hogan • Annika Sorenstam • Rex Lardner • Tiger Woods • Jack Nicklaus • P.G. Wodehouse • Althea Gibson • And hundreds of others! The Little Red Book of Golf Wisdom will entertain, instruct, and capture the essence of the game that has an irresistible hold on anyone connected with it—whether as a participant or a spectator. There’s a reason why people all over the world are drawn to a game that can easily break one’s heart. This book tells you why. Renowned for his inspiring interpretations of world spiritual traditions, celebrated modern mystic Andrew Harvey teams with photographer Eryk Hanut to create a stunning book of readings drawn from Sufi mysticism. Teaching stories, prophetic sayings, folk tales and jests, Hanut's evocative photographs, and Harvey's breathtaking translations of the ecstatic poetry of Rumi, Kabir, and others make this little book an inspirational and artistic treasure. The first-ever biography of the iconic and beloved golf coach who caddied for Francis Ouimet, played with Ben Hogan, competed against Bobby Jones, shaped Ben Crenshaw, and distilled his golf wisdom into the Little Red Book, granting simplicity to a vexing yet beloved sport Millions of people were charmed by the homespun golf advice dispensed in Harvey Penick’s Little Red Book, a sports classic that went on to become the best-selling sports book of all time. Yet, beyond the Texas golf courses where Penick happily toiled for the better part of eight decades, few people knew the self-made golf pro who coaxed the best out of countless greats — Tom Kite, Ben Crenshaw, Betsy Rawls, Mickey Wright — all champions who considered Penick their coach and lifelong friend. In Harvey Penick, Kevin Robbins tells the story of this legendary steward of the game. From his first job as a caddie at age eight to his ascendance to head golf pro at the esteemed Austin Country Club to his playing days when he competed with Bobby Jones and Walter Hagen to his mentorship of some of golf’s finest players, Penick studied every nuance of the game. Along the way, he scribbled his observations and anecdotes, tips and tricks, and genuine love of the sport in his little red book, which ultimately became a gift to golfers everywhere. Part elegy to golf’s greatest teacher, part inquiry into his simple, impactful teachings, part history of golf over the past century, Harvey Penick is an exquisitely written sports biography. Rich with magnificent photographs and powerful words, this book takes the reader into the inner thoughts, jokes, healing remedies, and humanity of Native American spiritual elders—otherwise known as the Wisdomkeepers. In their own words elders from the Sioux,

Iroquois, Seminole, Ojibwe, Hopi, Ute, Pawnee, and other tribes explain who they are, how they live, and what they believe. Readers learn of Buffalo Jim, a Seminole who describes the story of creation as if the Everglades were Eden, and Mathew King, a Lakota who warns of punishments for those who would destroy earth. Readers share the innermost thoughts and feelings, the dreams and visions, the laughter, the healing remedies, and the prophecies of the Wisdomkeepers. Above all, the elders offer their humanity, which shines through each page. They are the Elders, the Old Ones, the Grandfathers and Grandmothers, the fragile repositories of sacred ways and natural wisdom going back millennia, yet never more relevant than today. \* “A hundred years from now, when people want to know what we told our children about 9/11, Kalman's book should be among the first answers.”—Booklist, starred review \* “Intelligently conveys those unfathomable events in a way that a picture book audience can comprehend. . . . This is the inspiring true story of the John J. Harvey—a retired New York City fireboat reinstated on September 11, 2001. Originally launched in 1931, the Harvey was the most powerful fireboat of her time. After the September 11 attacks, with fire hydrants at Ground Zero inoperable and the Hudson River's water supply critical to fighting the blaze, the fire department called on the Harvey for help. There were adjustments—forcing water into hoses by jamming soda bottles and wood into nozzles with a sledgehammer—and then the fireboat's volunteer crew pumped much-needed water to the disaster site. The John J. Harvey proved she was still one of New York's Bravest! Maira Kalman brings a New York City icon to life, celebrating the energy, vitality and hope of a place and its people. This is a demanding book—but our times are demanding. It is an honest book—and our times demand truth. —Matthew Fox, American priest, theologian, and author

The genius of this book is the knowledge that this catastrophe is a necessary precursor to a radical transformation that we are co-creating with the divine. Radical Regeneration is an indispensable guide for what lies ahead. —Betty J. Kovács, Ph.D., author of *Merchants of Light: The Consciousness That Is Changing the World*

This book, *Radical Regeneration*, is a radiant offering of the possibility of the evolution of human consciousness in the midst of extinction. It’s exactly the fierce and sacred medicine we need right now. —V (formerly known as Eve Ensler), author of *The Vagina Monologues* and *The Apology*

Andrew Harvey and Carolyn Baker invite us to rise to these times as a grand initiation, to be renewed in splendor, or to stand idly and be swallowed by Kali, the goddess of time and death. —Alberto Villoldo PhD, Bestselling author of *One Spirit Medicine* and *Shaman Healer*

Sage If ever we needed a guidebook that truly addressed the crises of our times while inspiring us with guidance and wisdom, this is that book. —Caroline Myss, author of *Anatomy of the Spirit* and *Intimate Conversations with the Divine*

What is being made crystal clear is that humanity stands at a monumentally fragile threshold with two stark choices placed before it in a situation of complete uncertainty: Those choices are: 1) To continue to worship a vision of power, totally distanced from sacred reality 2) Or to choose the path of submitting bravely to the alchemy of being transfigured by a global dark night event that shatters all illusions but reveals the greatest imaginable possibility being born out of the greatest imaginable disaster. If humanity chooses the second path, which is what is being celebrated in this book, then it will have trained itself in the new radical unity necessary to weather the even worse crises that most certainly will quickly follow.

The secret of Harvey Pennick golf lessons lies not in the techniques he prescribes but in how the advice and parables he shares points the way for anyone to improve their golf. This text is a collection of his writing penned with the benefit of a career in golf stretching back over 60 years. The Christian mystics are the treasure of Western civilization—yet they remain little known among those of us who are potentially their spiritual heirs. Andrew Harvey's anthology confronts us with the mystics in their own words, to show us how well they serve, even now, as guides for the spiritual life—and to challenge our preconceived ideas about the path of Christianity. He has chosen selections that represent all eras of the Christian tradition, as well as the amazing range of people who have embodied it, people like Francis of Assisi, Meister Eckhart, Julian of Norwich, Teresa of Avila, Thomas Merton, Bede Griffiths, and many others. Written by the author of *The Little Red Golf Book*, this volume picks up where the first book left off. It features the same blend of simple wisdom, sound golfing instruction and good common sense that made the previous title so popular with golfers of all ages and levels of ability. The inspiring true story of a young woman who became deaf at age 19 while pursuing a degree in music--and how she overcame adversity and found the courage to live out her dreams. Harvey Penick's life in golf began when he started caddying at the Austin, (Texas), Country Club at age eight. Eighty-one years later he is still there, still dispensing wisdom to pros and beginners alike. His stature in the golf world is reflected in the remarkable array of champions

he's worked with, both men and women, including U.S. Open champion and golf's leading money winner Tom Kite, Masters champion Ben Crenshaw, and LPGA Hall of Famers Mickey Wright, Betsy Rawls, and Kathy Whitworth. It is not for nothing that the Teacher of the Year Award given by the Golf Teachers Association is called the Harvey Penick Award. Now, after sixty years of keeping notes on the things he's seen and learned and on the golfing greats he's taught, Penick is finally letting his Little Red Book (named for the red notebook he's always kept) be seen by the golf world. His simple, direct, practical wisdom pares away all the hypertechnical jargon that's grown up around the golf swing, and lets all golfers, whatever their level, play their best. He avoids negative words; when Tom Kite asked him if he should "choke down" on the club for a particular shot, Harvey told him to "grip down" instead, to keep the word "choke" from entering his mind. He advises golfers to have dinner with people who are good putters; their confidence may rub off, and it's certainly better than listening to bad putters complain. And he shows why, if you've got a bad grip, the last thing you want is a good swing. Throughout, Penick's love of golf and, more importantly, his love of teaching shine through. He gets as much pleasure from watching a beginner get the ball in the air for the first time as he does when one of his students wins the U.S. Open. Harvey Penick's Little Red Book is an instant classic, a book to rank with Ben Hogan's Modern Fundamentals of Golf and Tommy Armour's How to Play Your Best Golf All the Time. "Like a jackal writing poetry across tombstones, Whiskey Wisdom is a howling cry and call for anyone who would undertake the task to do this: think for yourself -- and in so doing, make the unimaginable imaginable, the impossible possible, the unthinkable thinkable, the undrinkable drinkable." - James Cole, Professor Emeritus in poetry, University of Wyoming "Sometimes I just want to slap him across the face and say 'Why the f\*ck can't you be more interesting?'" Thus spoke the viper-tongued young lady at my bar one quiet Sunday night. She was three Manhattans in and talking to me as if we were old friends, which we weren't. Her remarks, I told her, reminded me of a basketball coach I once had who, in the heat of battle many years ago, when we were in the huddle after an urgent and final timeout, sixty seconds on the clock, the game down to the wire, coach's face beet-red, spit flying, said to us seriously: "I told you guys not to let them make baskets!" The real question, of course, is not whether to be interesting but how does one become so? To become more interesting, first become more interested.

Penick's life in golf began at the age of eight when he caddied at the Austin (Texas) Country Club. Now, 78 years later, he is still there, dispensing simple wisdom and common-sense advice to famous pros and high-handicap amateurs alike. His Little Red Book is a classic to be cherished by generations to come. A page-turning epic with life lessons from a Navajo shepherd Rabbi Harvey and the "Wisdom Kid" Rubin duel by retelling Jewish folktales, fighting for the right to lead their town. Lasting marriages are built one defining moment at a time. The moment of blame. The moment of weakness. When your spouse suffers. When dreams disappoint. When the kids leave the nest. It's how we think and behave toward one another in moments like these that determines whether our marriage endures or falters. Ultimately, these are invitations from God to consider our direction and pursue transformation. With 37 years of marriage and 33 years of pastoring under his belt, Dave Harvey has identified those life-defining moments of a post-newlywed marriage. He wants to help couples recognize them in their own relationships so that they can take a proactive, godly approach to resolving conflicts, holding one another up as change inevitably happens, and ensuring that their marriage survives and thrives. **TIMELESS LESSONS FROM THE MASTER OF THE GAME** This, the fourth book by Harvey Penick, was nearly finished when he died in April 1995. A return to the timeless wisdom that has made his first bestseller, Harvey Penick's Little Red Book, a modern classic, The Game for a Lifetime does not contain the technical swing tips

and stance aids of today's instructional guides, but dispenses a philosophy on golf, and on life. Harvey Penick knew that the teachings in his book would stand the test of time, and he spent his lifetime pursuing and enjoying all that the game has to offer -- physically, emotionally, and spiritually. *The Game for a Lifetime*, the final book by Harvey Penick, stands as a wonderful testimonial to this legendary career, his celebrated teaching style, and his ability to affect the lives of the people who had the good fortune to know him. *The One and Only Ivan* meets Pax in this charming illustrated middle grade novel about one stray cat's search for shelter, acceptance, and courage. If you're reading this, I don't trust you. You see, humans are sometimes kind to me. Some sweet ladies say hi to anyone they meet on the street. One human always saved me bakery treats. But just as often, humans are not kind to those like me—stray cats. Many people think I'm dirty (which I am not). Some think I'm a nuisance, to be kicked or played with. My mother taught me to be cautious, thoughtful, and kind. I am good at those things. But she also taught me to be brave. And that's something I needed a lot of help with. If you're gentle and you don't move too quickly, I'll tell you about it. How I met Danielle. How three sparrows showed me the way. How Chester changed my life. And how I became brave. Are you ready? For city strays, life on the streets can be unforgiving. When every day is filled with territorial animals, fast-moving traffic, and aggressive boys with sticks, it takes more than a little courage to get by. Harvey, a stray cat struggling to survive, is searching for a home of his own—one that's safe and dry, with a view of the sky. But when the unexpected kindness of one woman saves him from the harsh city elements, he is forced to rethink what makes a home and who, if anyone, he can depend on. With the sage advice of Chester the dog and three talkative sparrows, Harvey will learn that trusting and helping others are some of the bravest things you can do. **PURRENNIAL MESSAGE:** A story about being brave and learning to trust others is always relevant to a kid's experience. Particularly in the current cultural moment, when social anxiety and technology-induced loneliness are on the rise, this book shows young readers how being brave, making connections, and allowing oneself to be vulnerable can lead to an enriched life. **FOR CAT LOVERS:** Harvey's point of view has all the unique but recognizable characteristics of these adorable house pets, but still manages to provide refreshing alternatives to the stereotypes we typically ascribe to them. Infused with humor and emotion, this is a book that a variety of readers, cat lovers or not, can appreciate. **WRITING THAT SOARS:** The classic, winning voice of this book makes it perfect for a gentle introduction to different perspectives. **BELOVED AUTHOR:** Garret Weyr's middle grade novel *The Language of Spells* won a California Book Award in 2018. She is also a Michael L. Printz winner for her book *My Heartbeat*. A constant source of innovation and playfulness, she's a favorite author of books for children. Perfect for: • Fans of Katherine Applegate • Fans of the Warriors series • Young readers who love adventures that are exciting but not scary • Parents • Grandparents • Educators • Librarians This culmination of award-winning author Andrew Harvey's life's work bridges the great divide between spiritual resignation and engaged spiritual activism. A manifesto for the transformation of the world through the fusion of deep mystical peace with the clarity of radical wisdom, it is a wake-up call to put love and compassion to urgent, focused action. According to Harvey, we are in a massive global crisis reflected by a mass media addicted to violence and trivialization at a moment when what the world actually needs is profound inspiration, a return to the heart-centered way of the Divine Feminine, the words of the mystics throughout the ages, and the cultivation of the nonviolent philosophies of Gandhi, Nelson Mandela, Aung San Suu Kyi, and the Dalai Lama. Harvey's concepts of radical passion and sacred activism fly in the face of restraint, of pessimism, of denial, of all that is inhumane, fusing the mystic's passion for God with the activist's passion for justice and for healing the division between heaven and earth, heart and will, body and soul, prayer and action. Sacred activism asks that we engage deeply on a personal, spiritual, and political level so as to become a fully empowered, fully active, and contemplative humanity that can turn tragedy into grace, and desolation into the opportunity to build and co-create a new world. Unlike many spiritual books, *Radical Passion* does not veil the dark with artificial hope. It explores the catastrophes of our current times and celebrates the ecstatic hope and divinity that is possible—right now and in the future. She amassed a whopping 88 professional wins in her career—a record for both men's and women's U.S. Tours. Small enough to fit

A step-by-step guide to using *The Adventures of Rabbi Harvey* in the classroom. A comprehensive teaching tool to help you guide students toward understanding the timeless lessons of traditional Jewish folktales and their relevance to our lives today. In this follow-up to the popular *Adventures of Rabbi Harvey* (with over 15,000 copies in print), the Rabbi returns to the streets of Elk Spring, Colorado. Part wild west sheriff, part old world rabbi, Harvey protects his town and delivers justice, wielding only the weapons of wisdom, wit, and a bit of trickery. These adventures combine Jewish and American folklore by creatively retelling comic Jewish folktales and setting them loose on the western frontier of the 1870s. As his fame grows throughout the Rocky Mountains, Rabbi Harvey faces a slew of new challenges, including the return of "Big Milt" and Wolfie Wasserman (the most feared father-and-son outlaw team east of Nevada), and another bold crime by the sweet-faced Bad Bubbe. And, as ever, the Rabbi is the quickest draw in the West—when it comes to pulling out bits of Talmudic insight to fit any occasion, that is. Like any great collection of Jewish folktales, these stories contain layers of humor and timeless wisdom that will entertain both adults and young readers. Adapted from a series of lectures on the historical basis and current resurgence of the sacred feminine, given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994, *The Return of the Mother* is a profound journey into the heart of the Divine Mother. In this comprehensive and groundbreaking work, mystical scholar Andrew Harvey unearths traces of the sacred feminine in major world religions—Hinduism, Islam (Sufism), Buddhism, Taoism, and Christianity—and in aboriginal and indigenous wisdom traditions. Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured full knowledge of the Divine Mother, and shows how to reintegrate this vital aspect into the spiritual consciousness of humankind. *The Return of the Mother* offers a radical new perspective, balancing the historical overemphasis on transcendence by honoring the immanence of the divine in passionate engagement in the world. Only by cultivating a direct, respectful relationship with the transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature, the body, sexuality, and the details of human life, and generate the energy and compassion needed to reverse the course of destruction we have set the planet—and all of life—hurtling toward. In lively question-and-answer sections, Harvey further illuminates these vital issues and takes a strong stand against our dependence on "gurus" and "masters," proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends. *The Return of the Mother* is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine, and recreate a sacred life-in-the-world.

**EVERY WOMAN CAN PLAY GREAT GOLF** Known in the world of golf as one of the game's greatest teachers, Harvey Penick worked with U.S. Open winners, great champions, and five out of the thirteen women who are members of the LPGA Hall of Fame. Mickey Wright, Sandra Palmer, Betsy Rawls, Kathy Whitworth, Judy Rankin, and Betty Jameson all had the privilege and honor of working with Penick. While he was proud of their success and achievements, Penick took just as much pleasure from the accomplishments of the countless women who came to him hoping only to be able to hit a ball in the air for the very first time. In *For All Who Love the Game*, Harvey shares the lessons he's learned from female golfers: techniques to help women gain greater physical and psychological power, advice on the perfect swing, and tips for developing areas of the game where women can and should outplay their male counterparts. Interwoven with Penick's ever-present blend of common sense and insight, *For All Who Love the Game* is a gift to every woman who wants to enjoy the game of golf to its fullest. With over 60 years of coaching amateur players, as well as professionals of the calibre of Tom Kite, Ben Crenshaw and Byron Nelson, golf teacher and former University of Texas coach Harvey Penick has a wealth of golfing experience on which to draw. His ability to see through all the technical jargon associated with the golf swing, means that all players, whatever their level, can follow his teachings to get the most out of their game. A collection of Wild West stories spiced up with Talmudic insight and Hasidic wisdom. Like any good collection of Jewish folktales, these stories contain layers of humor and timeless wisdom that will entertain, teach and, especially, make you laugh. *A Memoir is a Testament of Life and Evidence of Gods Ultimate Power*

From the celebrated scholar and lecturer Andrew Harvey, a fascinating and inspiring introduction to the essential texts and themes of the great mystics. Not merely a feast of the greatest and wisest mystical revelations, 'The Essential Mystics' i The late Harvey Penick always told Tom Kite, "Take dead aim for the pin." In this unique memoir, Kite, captain of this year's U.S. Ryder Cup Team, tells the story of Penick, the greatest teacher golf has ever known, his golf secrets, and how he taught them; of Kite's own friendly rivalry with Ben Crenshaw; and of the special relationship enjoyed by all three men. In the same direct way he plays the game, Kite reveals who Harvey Penick really was, his humility and wisdom, and how he became a legend whose *Little Red Book* remains golf's biggest bestseller and the bible for golfers everywhere. With equal candor Kite takes us inside the world of golf: the dramas and pressures of the Ryder Cup, the rigors and mind games of the Tour, and the arrival of the amazing Tiger Woods. Not just another golf book, this is the story of the bonding of generations--the teacher who recently died at the age of ninety and two of the world's best golfers. ANOTHER ROUND OF INSPIRATION AND INSTRUCTION When Harvey Penick signed copies of his now classic first book, *Harvey Penick's Little Red Book*, Bud Shrake, his coauthor, noticed that he often inscribed them with the line "To my friend and pupil." When Shrake asked him why, Penick replied "Well, if you read my book, you're my pupil, and if you play golf, you're my friend." Taking up where the *Little Red Book* left off, this is the second dose of Penick's singular brand of wit and wisdom, full of the simple and easy-to-understand lessons on golf that Penick is known and admired for. Like its predecessor, *And If You Play Golf, You're My Friend* is rich with Penick's great love of the game, a love that he delighted in sharing with golfers of all ages and levels of ability. The purpose of *One Heart* is to illuminate the common sacred ground at the heart of seven faiths: Buddhism, Christianity, Confucianism, Hinduism, Islam, Judaism, and Taoism. Its method is to identify 65 essential principles, among them: Feel what other people feel; Don't harm others; Lead with virtue and concern for others; Be honest; Practice what you preach; Be content; Don't let anger take over; Choose your companions wisely; Accept the existence of spiritual beings; Seek and you will find. Illustrating each principle are one, two, or three quotations (adding up to more than 600) from a wide variety of texts sacred to each of the seven faiths--including the Old and New Testaments, the Talmud, the Mahabharata, the Tao Te Ching, the Bhagavad Gita, the Analects of Confucius, and many other sacred sources. In addition, each chapter also provides guidance on a spiritual theme or practice--prayer beads, a home altar, labyrinth walking--to enhance our understanding of these wise words and universal principles. Harvey Penick's life in golf began when he started caddying at the Austin Country Club in Texas at the youthful age of eight. Over the next eighty-plus years, he enlightened the members of that club with insights into golf and life. In 1992, at the age of eighty-seven, he offered the world that same wisdom in a timeless collection of pieces entitled *Harvey Penick's Little Red Book*. He followed that with three more books, all bestsellers, and all filled with thoughts, stories, and golf advice that had stood the test of time. Now, Bud Shrake, Harvey's friend and collaborator, gathers together the very best pointers, portraits, and parables from all four of Harvey's previous works. Filled with nuggets of wisdom from *Harvey Penick's Little Red Book*, *And If You Play Golf, You're My Friend*, *For All Who Love the Game*, and *The Game for a Lifetime* and enhanced with dozens of personal photographs and keepsakes from the Penick family scrapbooks, *The Wisdom of Harvey Penick* is a lasting treasure from the most beloved teacher in all of golf. A step-by-step guide to using *The Adventures of Rabbi Harvey* in the classroom. A comprehensive teaching tool to help you guide students toward understanding the timeless lessons of traditional Jewish folktales and their relevance to our lives today.
