Entrepreneurs play a key role in an economy especially in a developing countries like India. An entrepreneur is a risk taking individual who while riding high on his innovativeness, passion and ability to coordinate means of production comes out with novel products and services. The objective of achieving sustained industrial development, regional growth, and employment generation have always depended on entrepreneurial development and small scale industry. Economic reform and the process of liberalization since 1991, creating tremendous opportunities, have created new challenges relating to competitive strengths, technology, upgradation, quality improvement and productivity. The book Entrepreneurship is for students, teachers, management consultants, budding entrepreneurs and other readers who are interested in today's world of small business development and management. Focus This book is mainly written for the students of B.Com. and B.Com. (Hons.) and teachers of Delhi University, Guru Gobind Singh Indraprastha University, Madras University and Bengaluru University. The idea is that improvements can best come from creative thinking by the entrepreneur about his/her own enterprise, which motivate the entrepreneur to take action to improve his business. This book will also be useful for trainers who support entrepreneurship development during seminars and workshops. Features Student Centric - Class room simulative - Written in a simple lucid language. Industry - Institute Interface: Enriched by my own industrial experience the concepts are linked to real life situations, bringing gradation between industry and institute. Coverage - a thorough coverage of conceptual framework on entrepreneurship development and business enterprises. Self-Learning Exercises - Many exercises at the end of every Chapter for self-assessment and development. This book has been written for 'Business and Industrial Laws Paper' of the BCom Semester-II Examination of University of Delhi. The contents of the book have been designed strictly in accordance with the semester based syllabus, effective from the academic year 2011-12. The book attempts to present the complicated subject of 'Business and Industrial Laws' in an easily comprehensible manner. The intricate points of law have been explained in as lucid, systematic and logical way as possible in a compact form. The entire text has been organized in four parts, namely, Law of Contract, Law of Sale of Goods, Law of Limited Liability Partnership and Industrial Laws. This book presents the subject matter tailor-made, as per the revised course structure of the Paper, to enable the students to possess a text-book which caters to their needs in full.

India, bounded by the majestic Himalayan ranges in the North and edged by an endless stretch of golden beaches, is the land of hoary tradition and cultural diversity. A vivid kaleidoscope of landscapes, glorious historical sites and royal cities, misty mountain hideaways, colourful people, rich civilizations and festivities craft India Incredible. Recent years have witnessed the educational scene, especially the higher education sector in the State undergoing a sea change in respect of quality, diversity and accessibility in tune with the global trends. Kerala's surge in the educational front is to be viewed in the backdrop of the country's great legacy in education. India has been a major seat of learning for thousands of years. The country was home to Takshashila, the first university in the world and Aryabhama, the inventor of the digit Zero. In fact, education in Kerala has now become more value-added and affordable, thanks to the proactive initiatives of the State Government and the active involvement of the private sector. Moreover, in the higher education market, Kerala has a significant edge in respect of cost which means that there would be a growing influx of

candidates into the state from outside the state for better and affordable professional education in the days to come. With the most sought-after professionals and an excellent network of institutes, Kerala is becoming the very preferred educational destination in the world. And, we are equipped for you with some elucidations which step-up her significance on the educational map. In Campus Plus, we propose some valuable information along with a number of educational institutes in the State which will be useful for the students and parents in the higher education scenario. Description: Intended primarily as a text for the undergraduate students of commerce, this book gives a comprehensive and indepth analysis of the concepts and principles underlying financial accounting. It also introduces the student to the tools and techniques essential for tackling real-life problems. The text discusses in detail final accounts, branch accounting, hire-purchase and instalment sales, partnership accounts, stock valuations, as well as other company accounts. The book would be of considerable help to the readers in preparing financial statements and would equip them with the necessary knowledge in understanding the financial performance and the financial position of an organization and communicate these to its stakeholders. Besides students of commerce, those appearing for various professional examinations such as CA and ICWA foundation courses should find this student-friendly and accessible book extremely useful. As per IP University Syllabus for BBA and B.Com. (Hons.) The 19th edition reprinted in 2020 contains <https://tinyurl.com/yb67waxu> - Buying Roles Types of Buying Decisions Scope of Marketing Process of Marketing Management Profile of Rural Markets Some of the distinctive features of the book are as follows: Learning Objectives to give a bird's eye-view of the topics covered in each chapter. Lucid, concise and simple language. Real life illustrations from Indian industry. Liberal use of tables and diagrams to illustrate the text. Summary at the end of every chapter for quick revision. Case Study at the end of each chapter. Test Questions culled from examinations of various Universities and Business Schools. Select Bibliography for further study. We sincerely believe that there is always scope for improvement. Therefore, we invite suggestions for further enriching the book. Effective communication is the key to success in life. We live in an era where words and gestures play an important role in effective communication. Businesses operate in various circumstances and it is paramount that the communication between different parties concerned is clear and effective and also takes into account the cultural sensitivities. This is where the concept of Business Communication comes to play. This book, written in accordance with the syllabus of the University of Delhi, is an attempt to equip the readers with skills required to communicate effectively in a business situation. It would also be useful for the students of BCom, BBA, and MBA of other universities, and for anyone looking to learn the nitty-gritties of business communication. **KEY FEATURES** • Analysis of vital components of business communication • Informative use of illustrations, examples, diagrams and pictures • Inclusion of review questions and university examination questions • New tools for business communication like, emails, teleconferencing, video conferencing, telex, fax discussed in detail Creativity and innovation as hallmarks of entrepreneurship have been recognized as the modern-day mantra for success in business and industry. It is with this realization, the Government of India, by announcing a number of policies and schemes, has been giving ever-increasing emphasis on developing creativity and innovation in entrepreneurship in the country. So much so, an increasing number of educational institutions in the country have started offering the paper on creativity and innovation in entrepreneurship in their course curricula. Because Creativity and Innovation in Entrepreneurship, as a subject, is relative of recent origin in India, there has so far not been any comprehensive textbook available on the subject in the Indian context. The present book is a modest attempt to fill in this gap. This edition is specially revised to cater to the changed syllabi requirements of business economics as per UGC model curriculum, and in the light of the new UGC's Choice Based Credit System (CBCS) syllabus for B.Com and B.Com (Hons.). The book is a recommended text by UGC in its model curriculum. This book has been written specifically for the students of BCom (Hons) of the University of Delhi in accordance with its prescribed syllabus and that of School of Open Learning. Its basic features are the same as the mother book Cost Accounting—Principles and Practice, which is a UGC recommended text for the last many years. Thus,

it gives a thorough grounding in cost concepts, cost behaviour, and costing methods. The subject matter has been organized on 'first things first' basis to sustain the interest of the students. Every discussion involving conceptual difficulties is immediately followed by a numerical example. The Book Presents An Exhaustive Exposition Of The Various Principles Involved In Management Accounting. The Basic Concepts Have Been Explained In Considerable Detail And Illustrated Through Numerous Solved Examples. Various Techniques Of Accounting Have Been Suitably Discussed And Their Application Is Highlighted. The Linkages Between Different Concepts Are Appropriately Emphasised. A Large Number Of Worked Out Examples And Practice Problems Have Been Included Throughout The Book. The Book Is Designed As A Basic Text For Students Pursuing Degrees In Both Commerce And Management Streams. This guide contains indexed lists of study opportunities in South African universities that relate to occupations that might be open to persons with various degrees, diplomas or certificates. In the first of two sections in the guide, opportunities for study and employment related to "first qualifications" are listed as follows: index of fields of study for which study opportunities are available; particular degree programs by field of study; index of occupations available to those with first qualifications; index of institutions offering programs of study. The second section of the guide concerns "advanced qualifications" and arranges entries as follows: field of study for which advanced degrees are available; actual degree programs at particular institutions; index of institutions offering advanced degrees. For both sections the descriptions of actual degree programs at particular institutions list the name of the institution, the language medium (English or Afrikaans), the duration of the program, the entry qualifications, subjects required, the admissions criteria; and the application deadline; the descriptions in the first section also list the possible occupations for those completing the program. An appendix provides the addresses of institutions mentioned in the guide. (JB)
