"International Financial Reporting Standards (IFRSs) are being increasingly used by companies throughout the world. All entities listed in the EU have been required to issue financial statements under IFRS since 2005, and more and more other countries are making the change to IFRS including the US and Canada. ... The Manual is packed full of clear, practical guidance on how to prepare financial statements in accordance with IFRS. It includes hundreds of practical worked examples and extracts from company reports as well as model IFRS financial statements that help to illustrate the explanations and show exactly how even the most complex calculations and disclosures should be made."--Cover. Special edition of the Federal Register, containing a codification of documents of general applicability and future effect ... with ancillaries. The Light Vehicle Tasksheet Manual for NATEF Proficiency, 2013 NATEF Edition is designed to guide students through the tasks necessary to meet National Automotive Technicians Education Foundation (NATEF) requirements for Automotive Service Excellence (ASE) certification. Based on the new 2012 NATEF Automobile Accreditation Task Lists, the Second Edition identifies the level of training (Maintenance & Light Repair (MLR), Auto Service Technology (AST), and Master Auto Service Technology (MAST)) required to complete each task. This manual will assist students in demonstrating hands-on performance and proficiency in fundamentals, diagnosis, service, and repair of cars and light trucks. It can also serve as a personal portfolio of documented experience for prospective employment.
