The Routledge Companion to the Makers of Global Business Mar 24 2020 The Routledge Companion to the Makers of Global Business draws together a wide array of state-of-the-art research on multinational enterprises. The volume aims to deepen our historical understanding of how firms and entrepreneurs contributed to transformative processes of globalization. This book explores how global business facilitated the mechanisms of cross-border interactions that affected individuals, organizations, industries, national economies and international relations. The 37 chapters span the Middle Ages to the present day, analyzing the emergence of institutions and actors alongside key contextual factors for global business development. Contributors examine business as a central actor in globalization, covering myriad entrepreneurs, organizational forms and key industrial sectors. Taking a historical view, the chapters highlight the intertwined and evolving nature of economic, political, social, technological and environmental patterns and relationships. They explore dynamic change as well as lasting continuities, both of which often only become visible – and can only be fully understood – when analyzed in the long run. With dedicated chapters on challenges such as political risk, sustainability and economic growth, this prestigious collection provides a one-stop shop for a key business discipline.

50 Ways to Master Your Sewing Machine Dec 25 2022 Today's sewing machines allow even novice sewers to embroider and produce garments of professional quality.
