"Special Circumstances" - These words have sent chills down Tally's spine since her days as a rebellious Ugly. Back then Specials were a sinister rumour - frighteningly beautiful, dangerously strong, breathtakingly fast. Ordinary pretties might live their whole lives without meeting a Special. But Tally's never been ordinary... Now she's been turned into one of them: a superamped fighting machine, engineered to keep the Ugliers down and the Pretties stupid. The strength, the speed, and the clarity and focus of her thinking feel better than anything Tally can remember... most of the time. One tiny corner of her heart still remembers something more.
