Dirigindo sua realidade Feb 14 2022 Transurfing – escolha sua realidade Quarto
passo: Dirigindo a realidade Esse é o quarto volume de Transurfing – o aspecto
misterioso da realidade, que gerou tantas emoções nos leitores. Surgiu depois da
trilogia anunciada no início. O quinto volume encerra esta série. Na realidade cotidiana,
os acontecimentos caminham independentemente de seus "quero" ou "não quero". Mas
dessa fatalidade aparentemente inevitável, existe uma saída totalmente inesperada. A
pessoa não suspeita de que se encontra prisioneira da ilusão espelhada. Em certo
sentido, o mundo se mostra um ilimitado espelho dual: de um lado está o universo
material e do outro se estende o espaço das variantes metafísico – estrutura
informacional, na qual se guardam os roteiros de todos os acontecimentos possíveis. Lá
está registrado tudo que foi, é e será, e de lá nos chegam os sonhos, clarividências,

conhecimentos intuitivos e insights. A pessoa, encantada pelo espelho, acha que o reflexo nele é a realidade verdadeira. Mas basta apenas acordar em seu sonho especular que, de repente, começa a se criar algo impossível... Para um amplo círculo de leitores.

Este tercer volumen explora la posibilidad

de desplazarnos en el espacio y el tiempo. No se trata de un truco ni tampoco de un experimento mental, no tiene nada que ver con viajes astrales o un simple sueño, más bien, representa un fenómeno muy real y palpable. Somos capaces de experimentar por medio de los sentidos nuestro recorrido a través del tiempo y el espacio, pues el proceso se basa en una operación muy simple: la transacción. En este libro descubrirás cómo funciona y verás que son nuestras propias intenciones las que ponen límites a nuestras posibilidades...

Tufti the Priestess. Live Stroll Through a Movie Mar 03 2021 Meet the new world sensation. It's Tufti. Why is it that nothing seems to work out the way you want it to,

despite the fact that you act according to your own free will? You might think that the reason why nothing is working out the way you want, is because that's just how life is. But the real reason things don't work out the way you want them to, is because you aren't acting according to your own free will – you are being directed by a script. Another reason things don't work out the way people want them to, is because they don't know how to take the right action to shape events the way they want. Rather than composing the reality of the upcoming film roll, they tend to battle with the reality they face in the current frame. Reality exists only in the here and now, and what is real is real only to the extent that it has taken place in the material world. You cannot change what has already happened. Yet when you fight with your current reality, that is exactly what you are doing, because everything that surrounds you consists of something that has already happened. If you want to change the script, you have to wake up and come alive inside the movie.

Transurfing in 78 Days. A Practical Course in Creating Your Own Reality Dec 12 2021 This book breaks down the Transurfing principles into 78 bite-sized chunks. Transurfing is a powerful tool for creating your own reality. When you apply these basic principles, you will gain the power to change your destiny. Even if you are totally new to the principles of Transurfing, you can complete the course on creating your own

reality in just 78 days. The knowledge you gain from the course, will open your eyes to the illusory nature of the external world. As you apply the principles to your everyday life, you will come to understand that physical reality does not exist as a set phenomenon in and of itself. At each moment in time, from numerous possible decisions, you will learn how to make the one that will help you achieve your goals most effectively, and create a reality in alignment with the kinds of events that you decide do or do not have a place in your life. Materialists focus on overcoming existing obstacles, which they tend to create themselves; idealists live in a dreamworld with their head in the clouds. Neither type is capable of shaping their own reality. With this practical course in Transurfing, you have the chance to learn how to do just that.

Avante para o passado Feb 02 2021 Transurfing escolha sua realidade. Passo III: Avante para o passado! "Avante para o passado!" é o terceiro volume da trilogia, à qual o autor acrescentou mais 2 volumes, de Vadim Zeland "Transurfing escolha sua realidade". Transurfing é uma magnífica técnica que confere o poder de criar coisas impossíveis do ponto de vista comum, ou seja, dirigir seu destino conforme sua vontade. Tem como fundamento o modelo das variantes, em princípio, um novo olhar para a organização de nosso mundo. Apropriando-se do terceiro passo do Transurfing, você de fato verá o seu movimento no espaço das variantes e se convencerá que pode

se transportar no tempo tanto para frente como para trás. E isso não será parecido com viagem no aspecto imaginado pelos autores de ficção científica – os transurfistas se ocupam somente com coisas reais. Para conseguir suas metas, não é necessário ser forte e confiar em si mesmo. Existe uma alternativa muito mais eficiente. A coordenação e a freiling – são métodos simples de pensar e agir para que o sucesso sempre esteja ao seu lado. Sobre isso também se discorre no passo III de Transurfing. Para um amplo círculo de leitores.

Transurfing T4 - Modèle quantique de réalisation individuelle Jun 25 2020 Dans la vie quotidienne, les événements passent les uns après les autres, sans nous demander notre accord. Influencer sa réalité, est-ce vraiment possible ? L'un des moyens de le faire est de l'influencer directement selon le principe "donne-moi". Dans Transurfing 4, Vadim Zeland propose de faire autrement : cachons nos mains derrière le dos, et faisons en sorte que le monde lui-même vienne vers nous pour réaliser nos attentes. S'il fallait donner une spécialisation à chaque volume, Diriger la Réalité est sans doute celui-ci qui nous fait toucher de près l'Observateur, cette position particulière à partir de laquelle tout se crée dans le monde quantique...

Transurfing Jan 13 2022 Trata-se de aspectos muito estranhos e inusitados. Costuma chocar tanto que nem se quer acreditar. Mas acreditar não é necessário – você mesmo

se convencerá de tudo. Somente esteja pronto para que, depois de ler esta obra, sua visão de mundo habitual desmorone, pois a obra traz ideias atrevidas por sua radicalidade. Transurfing é uma técnica poderosa, que confere a capacidade de realizar feitos impossíveis na concepção comum, ou seja, conduzir seu destino de acordo com suas escolhas. O fundamento de Transurfing está no modelo das variantes – princípios de uma nova visão de como o nosso mundo é organizado. Este é um passo no Transurfing e os primeiros passos do mago. O ser humano não sabe que pode deixar de lutar e assim conseguir o que deseja. Você terá sentimentos intransmissíveis quando descobrirem si capacidades que nunca desconfiou possuir. Parece-se com a sensação da queda livre – o inconcebível possui tão estonteante audácia ao tornar-se realidade que você perde o fôlego! Para um círculo amplo de leitores.

Reality Transurfing. Steps I-V Sep 21 2022 Transurfing is a powerful tool for managing reality. Apply it and life will begin to change according to YOUR order. When you use Transurfing goals are not reached, so much as realised for the most part of themselves. It seems impossible to believe but only at first. The ideas presented in the book have already received practical confirmation. Those who have tried Transurfing, experience surprise bordering on delight as the world of the Transurfer inexplicably changes before their very eyes. What is the book about? Transurfing is the art of controlling

reality using our freedom of choice. The world always reflects our perception of it. People can choose any variant of the development of current reality and thereby find themselves in circumstances they find desirable . To learn how to do this, you have to learn how to establish mutual understanding between the soul and mind, formulate intention and avoid the influence of destructive pendulums. Why should you read this book? Most people who have read "Transurfing," note that from the very e first pages, the book completely reverses their view of the world and the role of the individual in their own life. A fresh look at reality encourages the reader to consciously relate to the choices they make in any moment, and this really changes their life in the direction they would like. "It works!" is the phrase found in almost all reviews of Vadim Zeland's book. Who is this book for? The book has aroused great interest among the young and middle-aged, those who are interested equally in philosophy, psychology and physics and the mysteries of human consciousness. Why we decided to publish it The idea of " Transurfing Reality" quickly gained popularity when the author posted the text on the Internet. Numerous readers' reviews, saying that it really works, and the author's original take on the structure of reality prompted the publishers decide to publish Vadim Zeland's manuscript. We had no doubt that "Transurfing" would be popular among a huge audience About the author Vadim Zeland: "I'm over forty.

Before the collapse of the Soviet Union I was engaged in research in the field of quantum physics, then computer technology, and now books. I live in Russia. My nationality is Russian, or more precisely, a quarter Estonian. The rest is irrelevant, as is all the above. Regarding my own success, all I can say is that Transurfing works perfectly. I don't however want to advertise my personal life, as then it would cease to be personal. Fame turns against you, if you give in to temptation and climb up on a pedestal for all to see. Among some people, the American Indians, for example, there is a belief that if someone copies your portrait (photographs you), they steal part of your soul. Of course, this is just superstition, but there is no smoke without fire. You can distribute a product of personal creativity; but release your personality for mass circulation - never. To the question of intrigued readers: "Who are you, Vadim Zeland?," I usually just say: "Nobody." My biography can not and should not be a matter of interest, since I am not the creator of Transurfing, only a "retranslator." It is essential that we be nothing - an empty vessel, so that we do not impose our personal distortions onto this ancient Knowledge, that opens the door to a world, where the impossible becomes possible. Reality ceases to exist as something external and independent. and becomes manageable if you follow certain rules. The secret itself that is hidden only in as much as it lies on the surface, is so great that the personality of its

bearer ceases to be relevant. Perhaps the guardians who passed on this knowledge to me are of genuine interest but they too prefer to remain in the wings."

REALITY TRANSURFING, I Apr 04 2021 El Transurfing es una técnica innovadora y poderosa que te ofrece las herramientas necesarias para gestionar tu destino a tu gusto. No se trata de realizar milagros, sino de comprender que la realidad es mucho más sorprendente que cualquier fantasía. Gracias a su estilo trepidante en esta rilogía, Zeland guía al lector a lo largo de sus vivencias cotidianas para evidenciar una forma totalmente nueva de interpretarlas. El mundo en el que vivimos es por naturaleza variado y multiforme tiene una estructura metafísica que abarca en el mismo momento pasado, presente y futuro. Descubrir y conocer en profundidad el espacio de las variantes ayuda a entender que no existen límites e los posibles desenlaces de un acontecimiento. ¿Cómo comportarse entonces en este mundo de infinitas posibilidades? Según la propuesta del Transurfing, la mejor manera de vivir es surfando la realidad exactamente como en el deporte del surf se hace con las olas. El transurfer es la persona que consigue deslizarse sin esfuerzo entre las olas de lo cotidiano y cabalga la vida con ligereza y maestría (sin ahogarse nunca). Libre de los vínculos de la dependencia y seguro de sí mismo, el transurfer no le da demasiada importancia a los eventos, que nunca influyen realmente sobre él. Atento a no desperdiciar su energía inútilmente, el transurfer prefiere ser un

espectador en lugar de un actor, y asume conscientemente una perspectiva más distante, relajada y objetiva sobre la vida. Las olas de la vida te están esperand... ¿estás preparado para surfearlas?

Murmúrio das estrelas matutinas Nov 11 2021 Murmúrio das estrelas matutinas é o segundo volume da trilogia de Vadim Zeland, Transurfing – escolha sua realidade. Transurfing é uma poderosa técnica, que dá o poder de criar coisas impossíveis do ponto de vista comum, ou seja, dirigir o destino segundo sua própria escolha. Sua base é o modelo das variantes, principalmente um novo olhar sobre a constituição do nosso mundo. Esse é o primeiro passo do Transurfing e os primeiros passos do mago. O segundo passo do Transurfing explica porque os desejos e os sonhos não se realizam. O fato é que para que o desejo se cumpra na realidade, é imprescindível saber como fazer

a encomenda. O leitor precisa se convencer de que todas as possibilidades são limitadas apenas pelas suas próprias intenções. No livro são expostas recomendações concretas e práticas sobre a técnica de realizar a encomenda.

The Priestess Itfat Apr 16 2022 After the release of Vadim Zeland's book "Tufti the Priestess", we received many questions from readers, and many of them concerned the personality of the mysterious Priestess. A whole discussion has even unfolded on the Internet about this. Now you can get to know Tufti better and deepen your understanding of the techniques she uses. Who is this book for? For those who are ready to wake up in a dream and change the script. Why did you decide to publish? Opening the manuscript, we were shocked! After all, this is the first art book undefined a classic of Russian esotericism by Vadim Zeland! For the first time, readers have a unique opportunity to find out how the principles and algorithms obtained through the Tufti channel work in reality.

Priestess Itfut Jun 18 2022 Everyone's watching Tufti. Everyone's reading Tufti. Everyone's talking about Tufti. Some shout, "We can't stand Tufti!" Others shout, "We want Tufti!" So who is she Priestess Itfut, who goes by the second name Tufti? Tufti is not a made up character. She used to exist and in some sense she still does. This book describes the amazing adventures of the priestess and her friends in metareality. What happens there is not entirely fiction. Truth be told, it is not fiction at all. The reader will have to decide for themselves how much of it they wish to believe. This book does not promise a magic wand and you will not absorb the superpowers of its fabulous

characters by reading it, but you can take Tufti's techniques away with you, as many others have done already.

Transurfing – Die Steuerung des Bewusstseins Nov 30 2020 Der ehemalige Quantenphysiker Vadim Zeland hat eine Methode entwickelt, die er Transurfing nennt, mit der sich die Realität durch die Kraft der Gedanken beeinflussen lässt. In seinem Buch beantwortet er alle Fragen zu seiner Theorie und zeigt, wie das Denken und die Intuition mit der Steuerung des Bewusstseins in Einklang gebracht und die eigenen Ziele definiert werden können. Dies bildet die Grundlage für eine Anleitung zum Glücklichen und zu einem guten Leben.

78 Days Practical Transurfing Feb 26 2023 Transurfing is simple, yet powerful Reality Management Technique, developed by the Russian quantum physics researcher Vadim Zeland. Zeland's main goal is to present a set of techniques (which he calls Transurfing of Realities) for the attainment of practical goals. These techniques are of mental and metaphysical nature. Zeland supports these techniques by presenting a model of the universe that combines the elements of quantum physics with the idea of parallel worlds. As Zeland states, the use of the techniques is not dependant on the acceptance of his theoretical model. Some Transurfing techniques are very simple and practical.

Zeland says: " You can not hide from the inevitable reality. Your life is determined by circumstances and your place in society. Reality develops for the most part regardless of your own will. For every "I want" there is its own "You can't." In response to "Give it to me" you hear "You can't get it." There is little you can you do in such circumstances.... As a rule, human beings behave unambiguously. In their attempts to get what they want, they try to influence this world straight on, by the principle "Give it back to me." Direct impact, based on direct contact, is one of the ways of controlling something, but it is certainly not the most effective method of controlling reality. Transurfing is ..."

78 Days Practical Transurfing Oct 22 2022 The main purpose of the 78 Days Practical Course is to present a set of processes for the attainment of practical goals, using simple, yet powerful techniques. These techniques are of mental and metaphysical nature, and representing a model of the Universe that combines the elements of Quantum Physics with the idea of Parallel Realities. The use of the techniques is not dependant on the acceptance of this theoretical model. They simply work. Most Transurfing techniques are very simple and practical. Within the processes in 78 Days Practical Transurfing, you will come to understand, first hand, the state of Universal Well-Being in which you live: a state where effort and trying are replaced

with relaxing and allowing ...a state where worthiness is not earned, but simply accepted. The course contains 78 essential principles of Transurfing theory. It is a wonderful practice course for those who want to learn the basics of Transurfing in just 78 days. This knowledge will help you realize how illusory the world around you is. At any moment you can make the only right choice and also reach your goals....

Maçãs caem ao céu Aug 08 2021 Transurfing – escolha sua realidade Quinto passo: Maçãs caem ao céu Dirigir a realidade: será que isso é possível? Aqueles que experimentaram Transurfing na prática, contam admirados como seus pensamentos, de forma incompreensível, se materializam, e a realidade ao redor literalmente muda sua aparência diante de seus olhos. Por exemplo, as pessoas, por motivos incompreensíveis, começam a tratar você com mais simpatia. Portas, que antes pareciam irremediavelmente fechadas, se abrem. Além disso, você pode observar fenômenos bastante curiosos: modificações dos "tons dos cenários" e "círculos na realidade" semelhantes aos círculos na água. A camada do seu mundo recupera o frescor perdido: o sorvete volta a ter aquele mesmo gosto da infância, e as esperanças adquirem novamente o entusiasmo da juventude. O mais importante é a sensação característica da liberdade interior, o privilégio de viver de acordo com seu próprio credo. Por mais estranho que pareça, aqui não existe nenhum misticismo, tudo é real. Por isso,

verificando na prática o que você leu, mantenha-se firmemente na terra, para não cair ao céu de surpresa e entusiasmo. Para um amplo círculo de leitores.

Transurfing, modèle quantique de réalisation individuelle Feb 20 2020 L'homme ignore complètement qu'il est captif du miroir des illusions. D'un certain point de vue, le monde est un double miroir infini. D'un côté se trouve l'univers matériel et de l'autre s'étend l'espace métaphysique des variantes, la structure de l'information où sont stockés des scénarii de tous les événements possibles. Le miroir donne l'illusion que le monde existe indépendamment et ne se soumet à aucun contrôle. Fasciné par l'effet du miroir, l'homme pense que le reflet qu'il perçoit est la réalité absolue. Mais il suffit de se débarrasser de cette illusion et la réalité commence à nous obéir... Grâce à Transurfing 5, il ne tient qu'à vous de consciemment vous diriger vers le nouveau reflet que vous souhaitez voir apparaître dans le miroir.

REALITY TRANSURFING, II Jul 07 2021 Cómo deslizarse a través de la realidad. El susuro de las estrellas de madrugada. El Transurfng es una técnica innovadora y

poderosa que te ofrece las herramientas para interpretar la realidad de manera completamente nueva. Según su creador, Vadim Zeland, la mejor manera de vivir es surfando la realidad exactamente como en el deporte del surf se hace con las olas. Deslizarse sin esfuerzo entre las olas de lo cotidiano es el gran reto del transurfing que aprende a cabalgar la vida con ligereza y maestría (sin ahogarse nunca). En esta nueva entrega, Zeland nos proporciona un paso más en su técnica y nos enseña a escuchar el susurro de las estrellas de madrugada, la voz sin palabras, la reflexión sin pensamientos y el sonido sin volumen que componen nuestra voz interior. El susurro de las estrellas de madrugada es la única voz que probablemente merece la pena ser escuchada, la única guía que puede acercarnos a nuestros anhelos y, sin duda, la herramienta más poderosa que nos permite deslizarnos por la vida sin peligros.

Priestess Itfut Jan 01 2021 Everyone's watching Tufti. Everyone's reading Tufti. Everyone's talking about Tufti. Some shout, "We can't stand Tufti!" Others shout, "We want Tufti!" So who is she Priestess Itfut, who goes by the second name Tufti? Tufti is not a made up character. She used to exist and in some sense she still does. This book describes the amazing adventures of the priestess and her friends in metareality. What

happens there is not entirely fiction. Truth be told, it is not fiction at all. The reader will have to decide for themselves how much of it they wish to believe. This book does not promise a magic wand and you will not absorb the superpowers of its fabulous characters by reading it, but you can take Tufti's techniques away with you, as many others have done already.
