*Must she pay for the sins of her mother? Miss Charlotte Danvers has just received a life-altering shock. After spending most of her life in France in an elite school for girls, first as a student, and then as a teacher, she decides to return to London and take up residence with her mother. When she arrives at her mother's townhouse in London, she is stunned to discover that the woman who raised her is the well-known courtesan, Mrs. Danforth. After an angry and tearful confrontation with her mother, Charlotte leaves London and makes her home in Bath. All goes well until she meets Mr. Carter Westbrooke, close friend and business partner of Charlotte's best friend's husband, Lord Berkshire. After only a few weeks, Mr. Westbrooke declares his intentions to Charlotte to make her his wife. She can be no one's wife but cannot bring herself to tell him why. Must she run again? ****** *The Merry Misfits of Bath is a brand-new Regency romance series from USA Today bestselling author Callie Hutton. Each standalone story features a heroine who doesn't quite fit in but who finally finds her happy ever after with a hero who sees her through the eyes of love.* *The SAGES Manual on the Fundamental Use of Surgical Energy (FUSE) emphasizes good communication and promotes best practice for the use of electrosurgical, ultrasonic, and microwave energy sources in the operating theatre. This manual describes the basic technology of energy sources in the operating room and demonstrates the correct use and indications of energy sources in clinical practice. It also addresses the potential complications, hazards, and errors in the use of surgical energy sources and evaluates the potential interactions of energy sources with other medical devices. Any healthcare professional who has ever picked up an energy device in the OR such as a "Bovie" , Ultrasonic or bipolar instrument will better understand how it works, when to apply it, and what are the possible hazards and errors in its use. The SAGES Manual on the Fundamental Use of Surgical Energy (FUSE) is the first volume of its kind to provide such guidance and will be of great value to surgeons, anesthesiologists, nurses, endoscopists,*

and allied health care professionals who use these devices. *Robotic Surgery of the Bladder* is a dedicated resource to understanding and mastering the concepts and practical aspects of robotic bladder surgery. The volume provides an introduction to urologists interested in initiating robotic radical cystectomy by providing them background, concepts, steps, and tools and tricks to introduce robotic radical cystectomy into their clinical practice, all in a safe, stepwise, and organized manner. For the more experienced robotic surgeon, the text serves as a resource for more advanced applications and techniques. The volume is also accompanied by many still images and a DVD of video clips. Written by experts in the field, *Robotic Surgery of the Bladder* is a comprehensive resource that maintains the time-tested oncologic principles of bladder cancer surgery, while introducing the advantages that exist with robotic-assisted approaches. If you haven't read this series, you're missing out.

Sinclair writes the best Doms. Period. ~ Under the Covers Book Blog Let's liven up our marriage. It'll be fun. Then her husband brought two slaves into the house. That was the end of that. Divorce achieved, Valerie is working on her goals. Friends: has a new one. Fitness: little muscles! Finances: in the black. Friskiness? Total. Effing. Fail. So she attends the notorious Shadowlands club's open house. There, a sadistic Dom—a fellow professor—teaches her that she loves pain with her pleasure. He wants to show her more. Despite the razor edges of his hard face and the authority in his every word, he's careful and caring. He listens, and how tempting is that? But she knows better. Her heart is off-limits. Retired Special Forces colonel, Ghost has been a widower for long enough. Although he's ready to love again, the generous, caring woman he desires has scars from her past. However, he has hard-won skills, enough to show Valerie there can be a new F on her list—fulfillment. Life looks good. Until his past surfaces, shattering his new life and the love he'd hoped to win. --- I love that I can dive into a *Masters of The Shadowlands* book and get lost and come out feeling warm, safe, and floaty. Just like being in "sub space". ~ Marie's Tempting Reads A man can only have one great love, and mine was the sea. Until I pulled a half-drowned heiress out of the water. Until I kept her as mine. Until I hurt her to prove I didn't love her. Now we're surrounded. Dangerous pirates want to use her for their own purposes. I won't give her up that easy. I have a lifetime of treasure to protect. But with the ship going down, there's only one thing I want to save. In this follow up to book #1 (AGENT ZERO) in the Agent Zero spy series, TARGET ZERO (Book #2) takes us on another wild, action-packed ride across Europe as elite CIA agent Kent Steele is summoned to stop a biological weapon before it devastates the world—all while grappling with his own memory loss. Life returns only fleetingly back to normal for Kent before he finds himself summoned by the CIA to hunt down terrorists and stop another international crisis—this one even more potentially devastating than the last. Yet with an assassin hunting him down, a conspiracy within, moles all around him and with a lover he can barely trust, Kent is setup to fail. His memory is quickly returning, though, and with it, flashes into the secrets of who he was, what he'd discovered, and why they are after him. His own identity, he realizes, may be the most perilous secret of all. TARGET ZERO is an espionage thriller that will keep you turning pages late into the night. Means Necessary (Book #1), a free download with over 800 five star reviews! Lady Louisa Darby blames herself for her mother's death when the Darby sisters were still so young and has dedicated her life to ensuring her sisters' happiness. So when she's lured into a compromising situation that will endanger her youngest sister's chance at a happy marriage, Louisa will do whatever is necessary to protect her family's reputation and save her sister's chance at the future she deserves. Even if it means marrying the Beastly Duke. Sebastian Fielding, the Duke of Waverly, has spent years cultivating his reputation as the Beastly Duke to ensure he'll never make the mistake of falling in love and repeating his father's fatal mistake. But when honor calls on him to marry Lady Louisa Darby, his best intentions may not be good enough. For not even a beast can withstand the charms of the belle of the ball. The Duke and the Lady is the second book in the steamy, heart-stopping historical romance series, The Unwanted Dukes. If you love sexy, spellbinding romance and heartwarming humor, don't miss this captivating series from bestselling author Jessie Clever. Discover adventure and romance when you download The Duke and the Lady today. The Neverglades have seen their fair share of supernatural phenomena over the years, but a new threat has arisen in town: the Semblance, a shapeshifting entity with a centuries-old grudge against the Inspector. Plagued by walking nightmares and unable to trust even their own neighbors, the people of Pacific Glade have never faced a more insidious foe. Thankfully the Inspector and Sheriff Olivia Marconi are on the case. But the Semblance knows how to hit the Inspector where it hurts, and their battle puts more than their own lives in jeopardy. Specters of the dead, prehistoric time travel, haunted hotels, mysterious otherworldly dimensions - this could be the duo's deadliest adventure yet. It's going to take everything in Marconi's power to protect the people she loves. But it's a dangerous multiverse out there, and the Inspector may not always be there to bail her out... When his 12-year-old nephew Seth is dropped off on his doorstep, rancher Josh King, who knows how to run a multi-million dollar business, but knows nothing about adolescent boys, hires former classmate and teacher Cara Donovan to tutor Seth and learns a valuable lesson in love. Original. Fake dating my sworn enemy to make my ex so jealous he can't see straight? Worth it. Silas and I agree on one thing, and one thing only: my ruthless, heartless, narcissistic jerk of an ex-fiancee needs to be taken down a notch. So we do what anyone would do: we pretend to be a couple. Even though Silas and I are polar opposites. Silas is a loud, cheerful, over the top showboat. He's his hometown's golden boy, the Marine who came back to rescue kittens from trees and walk old ladies across the street. And me? I'm the awkward new girl who freezes up around strangers and can't make small talk to save my life. It shouldn't work. We can barely have a conversation without arguing. There's no way we should be friends, let alone dating, except... Everyone believes it. Especially my ex. Now I'm having way too many real fantasies about the man who gets on my last nerve. My fake boyfriend is starting to feel a whole lot like a real one. The kisses feel real. The way he protects me feels real. The night we spend together in a hotel bed feels very real. This was supposed to be fake, but I think I might have fooled myself most of all. The One Month Boyfriend is the first book in the Wildwood Society series, and can be read as a total standalone. It's for fans of high heat enemies-to-lovers romantic comedies, and features two enemies who fake date for revenge, a quirky, charming small town, a former military cinnamon roll hero, a grumpy heroine who's charmed despite herself, anxiety and PTSD representation, and plenty of steamy scene. Of course, there's an HEA. This series is for fans of Kathryn Nolan, Elizabeth O'Roark, Kate Canterbury, and Melanie

Harlow. Includes basic surgical procedures as well as more advanced procedures and techniques. Over 1000 clear illustrations! A discussion of the microanatomy, biochemical and physiologic processes in wound healing helps readers understand the interrelationships of these activities in the final outcome. Highlights new techniques

Chapters on facial cosmetics to minimize postoperative morbidity, and performing surgery in black patients provide vital information that is not commonly found in surgical books. An entire chapter devoted to contact allergens helps the surgeon in treating patients and in also avoiding occupational contact dermatitis which could limit the ability to perform surgery.

Mark Hannigan is a homicide detective in the isolated town of Pacific Glade, located in the dense forest regions of Washington. The town is so shut off from the rest of the world that it has earned the nickname "Neverglades" from its longtime residents. The Neverglades are no stranger to bizarre and inexplicable events, and Hannigan has seen plenty of things on the police force that seem to defy earthly explanation. Enter the Inspector. A mysterious figure always seen with a cigar and fedora, this otherworldly detective knows more about the workings of the Neverglades than any human being rightly should. There's a rip in reality around Pacific Glade, he says, making it a breeding ground for the strange and supernatural, and the Inspector is just one of many entities who have managed to slip through. In these nine interwoven stories, Hannigan and the Inspector traverse the haunted grounds of the Neverglades, where it's going to take everything they've got to make it out alive. Time paradoxes, pocket universes, giant dream-weaving crabs and star-snuffing leviathans - it's a lot for one measly little human to handle. But with an eldritch abomination by his side, Hannigan just might stand a chance. As the hunt for the Ghost heats up, Detective Silas Warren and Madison Corman do their best to leave no stone unturned, but when Captain Fletcher tells the media the crimes are being committed by a copycat, the duo thinks his lies might have scared their killer away. Is he in hiding or is he meticulously planning his next kill? This text is designed to present a comprehensive, up to date and safe approach to managing emergency general surgery patients with a minimally invasive approach. This book bridges the gap between the minimally invasive surgery (MIS) expert who may not routinely be involved in the care of the acute care surgery patient and the ACS expert surgeon who may not have a routine MIS elective practice. The first section reviews the physiology of the acute care surgery patient and the physiologic impact of MIS techniques including pnemoperitoneum in critically ill patients. This review is crucial to assure that the surgeon has a clear understanding of when a MIS approach is safe and when it can be potentially dangerous to the patient. The illustrations are presented in an atlas-style format to describe the surgical procedures. The authors of the various sections are minimally invasive and acute care surgeons from prominent academic centers. The format represents a narrative review with appropriate illustrations and links to online videos.

How well do you know the lover in your bed? It was the hottest hookup of her life. When Tess Barrett spent the night in the arms of the too sexy to be real stranger, she knew she was walking on the wild side. Sex with James Smith was the best EVER. How was she supposed to walk away from that? From him? So...she didn't. They planned secret dates. More body-melting hookups. The white-hot sex should have been enough. So why does she start wanting more? But they have rules. She has rules. No emotions. No ties. She has a past that is dark and twisted, and she's worked hard to become a new person. She's a doctor now. Respected. Controlled. Except...there is no control when she's around James. A bad guy...might be falling for the good girl. James can't

keep his hands off his sexy little doctor. She's buttoned down for everyone else but goes absolutely wild for him. Sure, she doesn't know his history. Doesn't know that the man she lets touch every inch of her body used to spend his days working for Uncle Sam and doing some seriously dirty deeds. What she doesn't know can't hurt her, right? And if she ever did learn the truth about him, he knew it would terrify his sweet doc right to her core. Terror would make her run. He doesn't want her running. He just wants her in his bed. But then...something happens. Danger sneaks up on Tess. She needs help—a very particular expertise and protective skill set. She needs someone lethal and strong...and James is just the man for the job. After all, lethal is his middle name. Hello, dangerous times. When James steps in, Tess doesn't know if she should be grateful or scared to death. Because her gorgeous lover? Turns out he has plenty of mad and dangerous skills. She's been hooking up with a superhero or...maybe a super villain. It's sort of hard to tell the difference. For the moment, she's going to go with feeling grateful...but as she learns all of his secrets, Tess wonders what will happen next between them. Will they crash and burn? Burn, baby, burn. Or maybe, just maybe, they'll actually have a GHOST OF A CHANCE at getting a happily ever after ending. Author's Note: James Smith is one mad, bad, dangerous guy...but sometimes, bad guys fall hard for good girls. GHOST OF A CHANCE is super hot, charged with lots of feels, and, it's got some pulse-pounding action for you. Dirty words and dirty deeds are dead ahead. Oh, and there's plenty of fun thrown in, too. Mystery, humor, sexy times, and danger—all of my favorite things in a book. There's no way out this time... An unputdownable medieval adventure from a master of the genre Haunted by guilt and his sins, archer Martin Kemp is in Scotland to collect on a debt when war breaks out afresh. The border erupts in bloody violence. Stalked through heather and forest by French men-at-arms sent to stir up the Scots against the English, Kemp and his friend Ieuan find themselves roped into escorting a motley band of civilians to safety. Matters are complicated by a Scottish knight who is not what he seems, but not nearly as much as by the presence of one of Kemp's old flames. Pursued to Berwick, Kemp and his companions find themselves besieged in the castle with no hope of relief or escape. When the Scots launch an all-out attack, Kemp may have to sacrifice everything in a brutal showdown that will determine the destiny of the Scottish crown... A rollicking adventure in the bestselling series, this brilliant novel from Jonathan Lunn will leave you battered and exhilarated. Perfect for readers of Angus Donald, Bernard Cornwell and Matthew Harffy. I have debts to pay and secrets to keep. When someone threatens my life, I crash into him: Jackson Ludlow The recluse billionaire of New York Once, he had everything a man could want. Then, he lost the only thing that he ever loved. So, he spent four years holed up in his mansion doing the only thing he knew how to do: make money. We are all wrong for each other. He's cold, uninterested and demanding. I'm impatient and inexperienced. The only thing we have in common is that we both have secrets. And the closer we get, the more they threaten to destroy us. MfM ménage romance from USA Today bestselling author Julia Sykes *Two darkly domineering alpha males. They say I don't have to choose. They both want me. Together. The three of us. I was meant to be theirs: Joseph, my sweet first love, and Marco, his sternly intimidating best friend. I know they're dangerous men, but being with them doesn't feel wrong. When they hold me in their arms, I feel safe, cherished. I'm still their captive, but I'm no longer certain if I want to be free of them. They swear they only kidnapped me for my own protection, and after a terrifying attack by one of their enemies, I'm starting to believe them. If I give myself to them, can my alluring criminal captors protect me? Or is their world too dangerous for even their strong arms to shield me from harm?* *Keywords: MfM ménage, Daddy romance, mafia romance, kidnapping, romantic suspense, new adult*

Retired Navy SEAL, Clint Backwater, enjoys his solitary life as owner of the Ask Questions Later gun range. It's the kind of place you find because you know a guy. So when Leila Ortiz, a petite woman with a "baby on board" sticker on the back of her car—and an 18-month-old boy in her arms—shows up at the range, panicked and desperate for a gun, he knows something is wrong. Having grown up in the foster system, Clint has seen what happens when you let yourself get too invested—things get messy, people leave. He made himself a promise to never get emotionally involved again, but the former SEAL in him feels the tug to help this woman and her child. Leila's ex-husband is being released from prison early on good behavior and she found out too late. He was supposed to serve five years, not two, and Leila is unprepared to protect herself and her son. She promised him they'd never run again—they've made a nice life for themselves and the last thing she wants to do is leave it all behind. When Clint refuses to give Leila a gun without lessons, she agrees to return to the range to learn. At first, Leila won't say why she's so desperate for protection, but when the threats from her ex escalate, it becomes clear what she's afraid of. Clint is a loner. Always has been, always will be. So when Leila and her little son enter his life, it hits him—hard— maybe being alone isn't what he needs. Still, having his solitary life disrupted when he invites the little family into his home is a bit tougher to take than he thought. With Leila and her son in danger, though, he'll do whatever it takes to keep them safe—even putting up with stray toys and changing a nappy or two. But the biggest danger might be to his heart, when it starts to look like the safest thing for Leila and her baby might be to leave her problems—and her budding relationship with Clint—behind. Some say you can never go back. But what if going back felt right? And what if your first love still made you feel those crazy sensations? Kate had never forgotten Mack or the dreams they'd talked about. Mack of the shocking kisses and intense silence. Mack, her first lover and her first love. Nothing had changed. Mack knew she was trouble. Kate had always been his kryptonite, but watching her flit back into town was like a knife tearing through his gut. He tried to resist her, tried to pretend that she didn't affect him. But this was Kate. And she was even more beautiful now. They were both older and wiser. Could their life experiences help them remain sane this time around?

Part Seven of the Make Me Serial The riveting serial novel from New York Times bestseller Beth Kery continues, as the truth of Jacob and Harper's terrible past begins to come to light—threatening to destroy Harper's safety and make her never look at Jacob the same way again... During sun-drenched, passionate days spent on Jacob's yacht, Harper and

Jacob fall deeper in love, taking risks not only with their bodies but their hearts. The only thing standing between Jacob and pure bliss is the suspicion that Harper's memories are returning. Ella's hidden obsession of gaining an encyclopedic knowledge of serial killers has led to her being singled out for her brilliant mind, and invited to join the big leagues. This time, though, Ella's special talent seems to have disappeared. Can she catch a killer without it? Or will it return to her too late? A page-turning and harrowing crime thriller featuring a brilliant and tortured FBI agent, the ELLA DARK series is a riveting mystery, packed with suspense, twists and turns, revelations, and driven by a breakneck pace that will keep you flipping pages late into the night. Books #3-#11 are also available! Taken by the playboy... Dark, brooding and incredibly handsome playboy Monroe Latimer can have his pick of women. But he doesn't do commitment. Ever! One look at Monroe and feisty English girl Jessie Connor knows he's about as Mr. Wrong as a guy can get. But there's one big problem—he fires her blood as no other man ever has, and his killer blue gaze is focused right on her. His look says he'll bed her, but never wed her. Will he change his ways once he discovers Jessie is pregnant? The moment AJ Walsh sees the sexy, tattooed pixie walk up to his bar, it's lust at first sight. He's always been labeled the "nice" guy—opening doors, buying flowers, and never, ever having one-night stands. But with this wicked little angel with red lips and unfathomably dark eyes? Oh, yeah. Tonight, "nice" has nothing to do with it... Brett Conlon is trying to convince her family that she's put away her reckless wild girl side for good. Nothing—and no one—could be better for her reputation than golden boy AJ Walsh. So they make a deal: if he plays The Good Boyfriend for her family, he can be a very, very bad boy with her. Now their one naughty night is about to turn into a whole lot of trouble... Each book in the After Hours series is STANDALONE: * One Night of Sin (novella) * One Night of Scandal * One Night of Trouble Happily Ever After is Only for Fairytale... Prince Clive's grown tired of his crown's heavy burden. As heir to the throne of Astos, he's one of the most sought-after bachelors in the world. When his sister gets engaged and electrifies the public with news of a royal wedding, all eyes are on Prince Clive. Will the perennial bachelor bring a date? And if yes...who? Gorgeous escort Tarryn gets the opportunity of a lifetime: accompany the handsome, reclusive prince to the royal wedding. The money for the assignment is insane—and everything she needs to turn her family's life around. But Tarryn has a troubled past, one that just might catch up to her when the press splashes her image all over the internet. Tarryn and the prince are from two different worlds. They could never be together. But their arrangement turns into a scorching, unstoppable attraction. Can true love really conquer all? Find out in this romantic, fast-paced, standalone, contemporary, royal romance from USA Today Bestselling Author Leigh James! Author's Note: Tarryn is a domestic abuse survivor. What she's gone through may be difficult for some readers. A field of minimal access surgery (MAS) has seen continuous and significant advances in the last two decades since the first laparoscopic cholecystectomy was reported in the year 1987. The benefits of industrial innovation were most realized in this field through continuous introduction of superior instruments, advanced optics, shorter port sizes, unique designs and newer energy sources. In fact, the industry has raised the minimal access surgery to such a level of excellence that patients world over now seek this mode of surgery for advantages of lesser pain, better cosmetic outcome and faster recovery. The optics in the instruments has changed from analogue signals to the present day high-definition signals, while 3D video technology is at an advanced stage of development. Introduction of robotic surgery has further made it

possible for highly intrinsic maneuvers to be performed inside the abdomen. With such rapid advances in this field and growing interest among surgeons. This volume is directed toward physicians who perform gynecologic surgery. The problems addressed are those encountered specifically in the performance of surgical procedures on the female genitalia. This book is not intended to be an atlas of surgery, but rather to supplement the many atlases available to the interested reader. There is an increasing body of physiologic and clinical data that is directly related to gynecologic surgery. The editors have selected subjects for this volume that directly impact on the outcome of the operative procedure. Authors were chosen who have documented interest and expertise. Many decisions made before the performance of the gynecologic operation can influence the outcome of the procedure, such as choice of abdominal incision, preparation of the operative field, and use of prophylactic anticoagulants and antibiotics. During the operation, additional choices that are open to the surgeon can affect the outcome: choice of suture material, technique of bladder drainage, and the use of drains. Attention to details of surgery, avoidance of genitourinary or gastrointestinal injury, and attention to potential problems in specific age groups can result in better outcome for the patient. The reader will also find chapters devoted to the legal implications of operative consent, the control of surgical bleeding, and intra- and postoperative monitoring. It is our hope that the material in this book will help the gynecologic surgeon in his practice to improve the care of the female patient undergoing operative procedures on the genitalia.
