Types of lyrics: Spiritual Lyrics, Lyrics For My Characters, and Assorted Lyrics This book is a collection of poems and song lyrics. (Book). In 2011, the world celebrated the 40th anniversary of Queen one of the most innovative, glamorous, and influential bands in history. Over the course of the band's career, they have grossed 170 million album sales worldwide, have written 18 number one hits, and performed 700 concerts. While some acts enjoy a forte of incredible showmanship, a virtuoso instrumentalist, a strong, charismatic leader, or a prolific sole songwriter, Queen beholds all of these strengths. Although Freddie Mercury and Brian May are recognized as the prime songwriters, each of the members have penned number one hits, including classics such as "Bohemian Rhapsody" (Freddie Mercury), "Another One Bites the Dust" (John Deacon), "A Kind of Magic" (Roger Taylor), and "We Will Rock You" (Brian May). The fates brought the four creative and cerebral youths together in London in 1971 (Mercury was by then an established fine and graphic artist, May was enveloped in the study of astrophysics, Roger Taylor enrolled in dental school, and John studying electronics). Since then, they have made history with their sophisticated fusion of operatic expression, theatrical performance, symphonic melody, and raw rock-and-roll. Beginning with their debut Queen in 1973 (EMI/Electra Records), the band took the UK by storm, then conquered the United States along with rest of the world, serving as pioneers of stadium rock and enjoying commercial success and momentum well into the 1980s (marked by the famous Live Aid appearance in 1985) through the early 1990s. The whirlwind took a startling pause when singer Freddie Mercury passed away from AIDS on November 24, 1991. The living members have forged ahead and remain great music makers. The Complete Illustrated Lyrics is the first book of its kind. Never before has there been a complete Queen lyric book. The hundreds of images that accompany the songs range from handwritten lyrics to rare photographs from the stage to the studio. Also included is a complete discography, pairing each song to the album on which it was originally released. Designed by the band's longtime creative director, Richard Gray, the book is as true to the band as can be, carrying with it the flamboyance, expression, and depth that Queen embodies as writers and performers. If there is one book for a fan of the band to possess, this is the one. The Titles say it all, a little bit of a hodgepodge of Albums though, even though the songs in each album are mostly alike, "Angel Woman" is what you would expect as well as "Title Treaty and Laws Featuring harrier Hawk" and Epic Shine is still my most Epic song. Patricia Luce Chapman's lyrics range from funny to sad, from country to novelty. "Honey Come Dance With Me" was inspired by her feisty mother; "Gonna Scrub My Blues" by a frustrated teenager at a party. Many are drawn from nature: "Dance with Lightning" compares a wild girl to lightning dancing across the sky, and "Together Forever" tells about lasting love between a pair of snow geese. Some of Pat's lyrics are of a more serious tone: "Portrait in the Sand" is about a homesick soldier, while "They Trapped the Wild Bird in a Cage" portrays a falsely imprisoned inmate. "Cowboy Lullaby" pulls at one's heartstrings and "Ride Cowboy Ride" takes us up to the stars. Funny songs include "Well How Babe" and "My Heart Attack Just Walked In." Some responses to her prize-winning songs include, "This well-written and emotive song lyric ("Together Forever") is beautiful and poignant, and the strong visual imagery is outstanding...it tells a moving story using good song structure ... a worthy Lyrics Only winner." - 2011 UK International Songwriting Contest "One of the best songs we heard last month ("Watch Out for Falling Rocks"). Please send us a headshot photo for the Winners page." - SongwriterUniverse Pat's lyrics with music on CDs and albums are available for purchase by her email: patchacha@me.com, at her website, www.patricialucechapman.com, at Broadjam, and will be available at Amazon. Lyrics sheds light on all aspects of lyric writing for music and will make songwriters feel more confident and creative when they tackle lyrics. It's perfect for all songwriters: those who don't like their own lyrics and find them difficult to write, experienced writers looking for a creative edge, and those offering lyrics to set to music in a partnership. Topics include channeling personal experiences into lyrics, overcoming writer's block, the right lyrics for a bridge, the separation between lyrics and poetry, exploring imagery and metaphor, avoiding clichés, and more. The book also offers tips on the various styles of lyrics, from protests, spirituals, and confessionals to narratives and comic songs. The Poetics of American Song Lyrics is the first collection of academic essays that regards songs as literature and that identifies intersections between the literary histories of poems and songs. The essays by well-known poets and scholars including Pulitzer Prize winner Claudia Emerson, Peter Guralnick, Adam Bradley, David Kirby, Kevin Young, and many others, locate points of synthesis and separation so as to better understand both genres and their crafts. The essayists share a desire to write on lyrics in a way that moves beyond sociological, historical, and autobiographical approaches and explicates songs in relation to poetics. Unique to this volume, the essays focus not on a single genre but on folk, rap, hip hop, country, rock, indie, soul, and blues. The first section of the book provides a variety of perspectives on the poetic history and techniques within songs and poems, and the second section focuses on a few prominent American songwriters such as Bob Dylan, Bruce Springsteen, and Michael Stipe. Through conversational yet in-depth analyses of songs, the essays discuss sonnet forms, dramatic monologues, Modernism, ballads, blues poems, confessionalism, Language poetry, Keatsian odes, unreliable narrators, personas, poetic sequences, rhythm, rhyme, transcription methods, the writing process, and more. While the strategies of explication differ from essay to essay, the nexus of each piece is an unveiling of the poetic history and poetic techniques within songs. This book is the last in the series and covers years 1994 to 1996 and 2002. I was 20, 21 and 22 and my life was a little more...meh...and so much happened I guess I didn't have enough time to write, but I certainly had the ideas. I was legally an adult, technically an adult, but mentally still a teenager. With everything going on in my life I wrote less and less. Clearly the endeavour was waning. Or I just needed a holiday. I did start line dancing and that grew into a full blown love for three years. It was music, after all...so clearly my love of music was now leaning toward the dancing side of things. In 2002 I wrote 1 song. That's all I wrote. And I'm surprised I wrote that because I hadn't written in six years. I was 28, still living at home as I had taken on the chore of being a care-giver for my mother and I had moved into other things. Line dancing had stopped but my love of music hadn't and never will. That was the last song I wrote and all of them were my practice for storytelling in four verses, a chorus, and a bridge for much bigger and better things. And now I've honoured them with these publications. The book also contains some witty one liners and anecdotes about what was happening, who I wanted to be, or who I had a crush on. They are not perfect, nor meant to be, they're just the musings of a young woman with crushes and dreams. Enjoy! ONE OF THE NEW YORK TIMES 10 BEST BOOKS OF THE YEAR • Titled after perhaps Stephen Sondheim's most autobiographical song, from Sunday in the Park with George—Finishing the Hat not only collects his lyrics for the first time, it offers readers a rare personal look into his life as well as his remarkable productions. Stephen Sondheim's career spanned more than half a century; his lyrics are synonymous with musical theater and popular culture. Sondheim—the winner of seven Tonys, an Academy Award, seven Grammys, a Pulitzer Prize and more—treats us to never-before-published songs from each show, songs that were cut or discarded before seeing the light of day, along with the lyrics for all of his musicals from 1954 to 1981, including West Side Story, Company, Follies, A Little Night Music and Sweeney Todd. He discusses his relationship with his mentor, Oscar Hammerstein II, and his collaborations with extraordinary talents such as Leonard Bernstein, Arthur Laurents, Ethel Merman, Richard Rodgers, Angela Lansbury, Harold Prince and a panoply of others. The anecdotes—filled with history, pointed observations and intimate details—transport us back to a time when theater was a major pillar of American culture. Best of all, Sondheim appraises his work and dissects his lyrics, as well as those of others, offering unparalleled insights into songwriting that will be studied by fans and aspiring songwriters for years to come. Accompanying Sondheim's sparkling writing are behind-the-scenes photographs from each production, along with handwritten music and lyrics from the songwriter's personal collection. Penetrating and surprising, poignant, funny and sometimes provocative, Finishing the Hat is not only an informative look at the art and craft of lyric writing, it is a history of the theater that belongs on the same literary shelf as Moss Hart's Act One and Arthur Miller's Timebends. It is also a book that will leave you humming the final bars of Merrily We Roll Along, while eagerly anticipating the next volume. In 1989 I was 15 and started writing song lyrics. Why? Because I wanted to be the Australian version of Debbie Gibson, on whom I was also majorly crushing. I thought I was hot and wrote prolifically, although I started writing late in the year. I was also playing drums in my music class's end-of-year musical. In 1990 I was 16 and out of school, listening to more, doing more, and reading more. So more artists were in my life and I was starting to analyse song lyrics, which I guess led me to analyse books... Little did I know over the seven and a bit years I wrote that it was setting me up for bigger and better scribblings, namely novels over 500 pages and 100,000 words, and now novellas and short stories. This book features lyrics I wrote from 1989 to 1990 and contains some witty one liners and anecdotes about what was happening, who I wanted to be, or who I had a crush on. They are not perfect, nor meant to be, they're just the musings of a young teenage girl with crushes and dreams. Enjoy! Wars have dominated the history of the United States since its founding, but there has also been a long history of antiwar activity. Peace songs have emerged out of every military conflict involving the United States. "Singing for Peace" vividly portrays this rich antiwar history, beginning in the eighteenth century and continuing into the twenty-first.Most of the twentieth-century output was dominated by folk groups and acoustic singer-songwriters. The Vietnam War saw the increased dovetailing of folk and rock music, so that rock and folk-rock took on an ever-larger share of protest activity, then punk, metal, hip-hop, and rap. The authors draw upon a wide range of primary and secondary sources, while quoting many popular and lesser-known song lyrics, and including a range of photos and illustrations. These songs have long served to both shape and reveal the feelings of citizens opposed to America's wars." This comprehensive collection from the legendary folk icon features lyrics from each of Simon's 10 original studio albums, as well as lyrics from the renowned Simon & Garfunkel records. 50 b&w photographs throughout. \*\*THE SUNDAY TIMES BESTSELLER\*\* Celebrate the 50th anniversary of Roxy Music's iconic first album with this collection of Bryan Ferry's evocative lyrics of aspiration and romantic longing, introduced by the author. 'Lyrics is a book any Roxy fan would be proud to have on their shelf' The Telegraph Bryan Ferry's work as a singer and songwriter, both as a solo artist and with Roxy Music, is legendary. Lyrics collects the words written for music across seventeen albums, from the first iconic Roxy album of 1972 via the masterpiece of Avalon to 2014's reflective Avonmore, introduced by the author, and with an insightful essay by James Truman. All the classic Roxy anthems are here - 'Virginia Plain', 'Do the Strand', 'Love is the Drug' - songs in which the real and the make-believe blend in a kaleidoscopic mix, shot through with cinematic allure. Also included are the evocative lyrics of romantic longing and lost illusions for which Ferry is rightly revered: 'Slave to Love', 'Mother of Pearl', 'More Than This'. As he writes in his preface, 'The low points in life so often produce the most keenly felt and best-loved songs.' And, it might be added, some of the best poetry. Discover this unforgettable collection of Bryan Ferry's work today; the ultimate Christmas gift for any fan. A magnificent selection of song lyrics and poems from across the storied career of one of the most daring and affecting poet-songwriters in the world. In the more than half century since his first book of poems was published, Leonard Cohen has evolved into an international cult figure who transcends genres and generations. This anthology contains a cross section of his five decades of influential work, including such legendary songs as “Suzanne,” “Sisters of Mercy,” “Bird on the Wire,” “Famous Blue Raincoat,” and “I’m Your Man” and searingly memorable poems from his many acclaimed poetry collections, including Flowers for Hitler, Beautiful Losers, and Death of a Lady’s Man. Encompassing the erotic and the melancholy, the mystical and the sardonic, this volume showcases a writer of dazzling intelligence and live-wire emotional immediacy. The second volume of Sondheim's collected lyrics is both a remarkable glimpse into the brilliant mind of a legend, and a continuation of the acclaimed and best-selling Finishing the Hat. Picking up where he left off in Finishing the Hat, Sondheim gives us all the lyrics, along with excluded songs and early drafts, of the Pulitzer Prize–winning Sunday in the Park with George, Into the Woods, Assassins and Passion. Here, too, is an in-depth look at the evolution of Wise Guys, which subsequently was transformed into Bounce and eventually became Road Show. Sondheim takes us through his contributions to both television and film, some of which may surprise you, and covers plenty of never-before-seen material from unproduced projects as well. There are abundant anecdotes about his many collaborations, and readers are treated to rare personal material in this volume, as Sondheim includes songs culled from commissions, parodies and personal special occasions—such as a hilarious song for Leonard Bernstein’s seventieth birthday. As he did in the previous volume, Sondheim richly annotates his lyrics with invaluable advice on songwriting, discussions of theater history and the state of the industry today, and exacting dissections of his work, both the successes and the failures. Filled with even more behind-the-scenes photographs and illustrations from Sondheim’s original manuscripts, Look, I Made a Hat is fascinating, devourable and essential reading for any fan of the theater or this great man’s work. This book is unique in offering practical advice on writing song lyrics within a critically informed framework. Part I provides the theoretical underpinning, while Part II covers the creative process, pulling together all the best songwriting advice and offering practical exercises. Fusing creative guidance with rigorous criticism, this is an essential companion for undergraduate and postgraduate students of songwriting, creative writing and music. Lively and accessible, it is a one-stop shop for all aspiring songwriters. 1993 part 2 is 101 songs to read and enjoy. Covering a wide range of topics, mostly love, and quite plagiarised by myself. Life in general had changed, the world, the people in it, the ways, the whys, the whats. What the hell were we doing to the world? If only we had kept things the way they were because they changed, and not for the better. 1993 is split into two parts because I beat my previous year's record and wrote 201 songs, so cutting it into two parts makes for easier reading. The book also contains some witty one-liners and anecdotes about what was happening, who I wanted to be, or who I had a crush on. They are not perfect, nor meant to be, they're just the musings of a young teenage girl with crushes and dreams. Here's 1993 part 2. Enjoy! After ten one-man-band years, this songbook with the collected lyrics of all LARMAN CLAMOR albums from 2011 - 2021 celebrates LARMAN CLAMOR's tenth anniversary! On 144 fully colored pages and with previously unreleased song illustrations, this book contains all lyrics and illustrations of the releases "Altars To Turn Blood" (2011), "Frogs" (2012), "Alligator Heart" (2013), "Beetle Crown & Steel Wand" (2014), "Heathland Tales" (2015), "Im nächst'n Le'm" (2016), "Beyonder" (2016), "Of Stranger Realms" (2019), "Marauder" (2020) & "Ink Fo' Blood" (2021). Emerging from the New Wave music scene of the late '70s, The Cars catapulted to success with the very first single—“Just What I Needed”—off of their debut album. Led by Ric Ocasek, the lead vocalist (along with Benjamin Orr), rhythm guitarist, and songwriter, The Cars became one of the most successful bands of the '80s—and their songs are just as beloved by fans today. Ocasek himself has had an illustrious career beyond The Cars, from writing and performing solo work, publishing poetry in Granta and elsewhere, and producing albums by musical artists like Weezer, Hole, Guided By Voices, and Jonathan Richman. In Lyrics & Prose, Ocasek collects his lyrics together for the first time—and included throughout are Ocasek's early handwritten notes and set lists, doodles and all. His work spans from The Cars' self titled debut album in 1978 to Move Like This, released in 2011, as well as Ocasek's six solo albums. This is not merely a songbook for fans of The Cars, however: Ocasek is a versatile and affecting poet as well as songwriter, and his original verses—interspersed with album artwork and more than twenty-five beautiful black and white photographs—round out this beguiling book. It is commonplace for fictional content to depict immoral activities: the kidnapping of a politician, for example, or the elaborate theft of a national treasure, or perhaps the gruesome proclivities of a sadistic murderer. These and similar depictions can be found across a range of media, and in varying degrees of detail and realism. Fictional Immorality and Immoral Fiction examines potential conditions for transforming fictional immorality into immoral fiction, in order to establish what makes a depiction of fictional immorality and/or one’s engagement with it immoral. To achieve this aim, Garry Young analyzes fictional content, its meaning, one’s motivation for engaging with it, and the medium in which the fiction is presented (such as film, literature, theatre, video games) using philosophical inquiry. The end result is a systematic examination of fictional immorality, which contributes toward debates on the morality of depicting and engaging with fictional immorality, as well as the reach of censorship and other forms of prohibition, especially when the act depicted is of the kind that would be most egregious if carried out in reality. A book of song lyrics by Rick Bartow, based on his four publicly-released CDs: "Painted Tin" (1980); "Bartow Minus 2" (2000); "Bone Road" (2007); "Dry Ground" (2011). Includes photos of Rick, plus several of his original artworks. A Vulture Most Anticipated Book of Fall A Powell's Holiday Pick for 2022 “There is something quite moving about seeing these fifty-five songs collected and assembled this way. Themes of family, friendship, love, destiny, loss, nature, and honest living bridge all of the albums and form the core set of concerns of this body of work. At the same time, you can see the evolution of the minds and hearts at work behind the lyrics.” —Brandon Taylor Since the release of their breakout debut album in 2008, Fleet Foxes and their front man, singer-songwriter Robin Pecknold, have enjoyed international critical and commercial acclaim. Their music has helped reshape the American indie-folk sound through songs that are acoustically and melodically driven, steeped in gospel-like harmonies, and propelled by Pecknold’s resonant, earthy, and timeless lyrics. Wading in Waist-High Water: The Lyrics of Fleet Foxes contains Pecknold’s complete lyrics from fifty-five songs, capturing the poetic and inventive storytelling that is a hallmark of the band’s music. These richly layered lyrics explore the complexity, darkness, and beauty of physical and emotional landscapes, both pastoral and modern. Accompanying the lyrics, Pecknold includes notes on his creative processes, inspirations, and motivations. With an introduction by celebrated novelist Brandon Taylor, and an afterword by Pecknold, Wading in Waist-High Water is a moving and intimate look at the art of songwriting, the joy of music-making, and what it means to produce meaningful and memorable sound. A landmark compilation of popular music, this collection contains Paul Simon's lyrics from his first album in 1964 to the present. Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Commentary (music and lyrics not included). Pages: 43. Chapters: Ai Se Eu Te Pego, Give Me All Your Lovin', I Need a Dollar, Need You Now (song), Not Fair, Somebody That I Used to Know, Some Nights (song), Summer Paradise, Titanium (song), We Are Young, We Found Love, Whistle (song). Excerpt: "We Found Love" is a song by Barbadian recording artist Rihanna, from her sixth studio album Talk That Talk (2011). It features Scottish disc jockey Calvin Harris, who also wrote and produced the song. "We Found Love" premiered on September 22, 2011, in the United Kingdom on the Capital FM radio station and was made available to download on the same day as the lead single from the album. The track is a dance-pop and electro house song, with elements of techno and Europop. It is backed by repetitive synthesizers, alarm bells, and a keyboard. The song's lyrics speak of a couple who finds love in a hopeless place. "We Found Love" was met with mixed to positive reviews from music critics, who praised the song's composition and Rihanna's vocal performance, however, some critics felt that the lyrical content was sparse and came second to Harris' production. "We Found Love" was a major commercial success. In the United States, the song topped the Billboard Hot 100 for ten non-consecutive weeks, becoming the longest running number one single of 2011 and of the 2010s decade thus far as well as surpassing "Umbrella" as her longest running number one single. It became Rihanna's eleventh song to top the Hot 100, placing her in third place amongst female recording artists amassing the most number one singles. "We Found Love" topped the charts in twenty-five countries including Ireland, New Zealand, Switzerland and the United Kingdom. It also attained top five positions in Australia, Belgium and Czech Republic and peaked in the top ten of charts in twenty-nine... This book is written based on a true love story, and even though it has other poems in it , love is the main factor. ABOUT THE BOOK Ten years ago, a motley crew of Montreal-based musicians were recording an EP in Maine, playing their songs in art galleries and basement gigs, and discovering new love. In 2011, this same band is accepting the Grammy for Album of the Year and spawning hilarious reactionary internet memes like “Who is Arcade Fire?!” The answer? A group of multi-instrumentalists who achieved fame not through scandal or bribery, but through the purest means possible: making good music. The band is led by married couple Win Butler (vocals) and Régine Chassagne. Other band members include Jeremy Gara (drums), Richard Parry (bass), Sarah Neufeld (violin), William Butler (keyboard), and Tim Kingsbury (guitar). In their live performances, band members often assume other musical roles: collectively, their instrumental repertoire also includes viola, cello, double bass, xylophone, glockenspiel, keyboard, French horn, accordion, harp, mandolin, and hurdy-gurdy. EXCERPT FROM THE BOOK But I just wanted to make something in the world and worry about the rest of it later and not get too caught up in rules,” said Butler. Lyrically, Butler re-inhabits the role of the defiant, idealistic art school kid, tripping over contradictions, fears, boredom, and self-discovery. He is not concerned with capitalist domination or compromising his ambition but rather maintaining his individuality and his willingness to re-imagine himself... Buy the book to continue reading! CHAPTER OUTLINE Quicklet on The Best Arcade Fire Songs: Lyrics and Analysis + Introduction to the Artist + Song Lyrics - The Top Ten Songs + Arcade Fire Trivia / Facts + Conclusion + ...and much more Everything I've ever done Everything I've ever done Everything I've ever done Everything I'm going to Over a career that spans four decades and thirteen studio albums with Pet Shop Boys, Neil Tennant has consistently proved himself to be one of the most elegant and stylish of contemporary lyricists. Arranged alphabetically, One Hundred Lyrics and a Poem presents an overview of Neil Tennant's considerable achievement as a chronicler of modern life: the romance, the break-ups, the aspirations, the changing attitudes, the history, the politics, the pain. The landscape of Tennant's lyrics is recognisably British in character - restrained and preoccupied with the mundane, occasionally satirical, yet also yearning for escape and theatrical release. Often surprisingly revealing, this volume is contextualised by a personal commentary on each lyric and a fascinating introduction by the author which gives an insight into the process and genesis of writing. Flamboyant, understated, celebratory and elegiac, Neil Tennant's lyrics are a document of our times. Love meets technology with a dash of quirk in this collection of highly original short stories An aspiring actress meets an Icelandic Yak farmer on a matchmaking Web site. An online forum for cancer support turns into a love triangle for an English professor, a Canadian fisherman, and an elementary school teacher living in Japan. A deer and a polar bear flirt via Skype. In The Hypothetical Girl a menagerie of characters graze and jockey, play and hook up in the online dating world with mixed and sometimes dark results. Flirting and

communicating in chat rooms, through texts, e-mails, and IMs, they grope their way through a virtual maze of potential mates, falling in and out of what they think and hope may be true love. With levity and high style, Cohen takes her readers into a world where screen and keyboard meet the heart, with consequences that range from wonderful to weird. The Hypothetical Girl captures all the mystery, misery, and magic of the eternal search for human connection. The New York Times bestselling final collection of poetry from the world's greatest lyricist Leonard Cohen. NEW YORK TIMES BEST SELLER Named a Fall Read by Vogue, Esquire, The Washington Post, TIME, Vanity Fair and O, the Oprah Magazine. One of Daily Mail and Financial Times's Best Books of 2018. "There are very, very few people who occupy the ground that Leonard Cohen walks on." —BONO The Flame is the final work from Leonard Cohen, the revered poet and musician whose fans span generations and whose work is celebrated throughout the world. Featuring poems, excerpts from his private notebooks, lyrics, and hand-drawn self-portraits, The Flame offers an unprecedentedly intimate look inside the life and mind of a singular artist. A reckoning with a life lived deeply and passionately, with wit and panache, The Flame is a valedictory work. "This volume contains my father's final efforts as a poet," writes Cohen's son, Adam Cohen, in his foreword. "It was what he was staying alive to do, his sole breathing purpose at the end." Leonard Cohen died in late 2016. But "each page of paper that he blackened," in the words of his son, "was lasting evidence of a burning soul." Råd og vejledning til at skrive sangtekster til rock og popmusik Lyrics are the poetry of the heart and soul. Every emotion, every philosophy, every realization becomes a potential song to be sung. Lyrics sheds light on all aspects of writing lyrics for music and will make lyricists and songwriters feel more confident and creative when they tackle lyrics. It's perfect for all songwriters: those who don't like their own lyrics and find lyrics difficult to write, experienced writers looking for a creative edge, and those offering lyrics to set to music in a partnership. The book discusses channeling personal experiences into lyrics, overcoming writer's block, the right lyrics for a bridge, the separation between lyrics and poetry, exploring imagery and metaphor, avoiding clichés, and more. It also offers tips on the various styles of lyrics, from protests, spirituals, and confessionals to narratives and comic songs. New to this edition are artist and song references throughout to reflect musical history to date. Also, a new section provides examples of taking lyric ideas right through the drafting process, illustrating development and re-drafting and using a handful of contrasting approaches. ABOUT THE BOOK When country music legend Loretta Lynn first heard The White Stripes, she said the duo of Jack White and Meg White "sounded like someone was breaking into a bank." She was describing the aggressive, loud and original sounds of the Detroit band that was changing rock 'n' roll with its fusion of garage-style rock and blues arrangements. Once thought to be brother and sister, Jack White and Meg White came crashing into the music scene circa 2002 with their megahit, "Fell In Love With A Girl." When they left the music scene for good on Feb. 2, 2011, they left the world with rock 'n' roll hits that will survive beyond their creators. Even after it was discovered the Whites were actually ex-husband and ex-wife, no one stopped listening. Critics were too busy hailing The White Stripes as saviors of rock 'n' roll with hits such as "Seven Nation Army" and "Dead Leaves and the Dirty Ground." Via Creative Commons For years, the band was a bit of a rock enigma, even to each other. They went on hiatus for a few years before reuniting for 2007's Icky Thump, a commercial and critical success. But in the fall of 2007, the band cancelled the rest of their U.S. tour due to Meg White's "acute anxiety." Jack White was the talkative, lead figure of the band, while Meg White was the introverted one no one seemed to understand. In a 2009 interview with The Guardian, Jack White explained how he too tries to get past the enigma of Meg White. "My ears prick up when she actually mentions something about what we've done. I'm so interested to hear what her take on it is. But it quickly dissolves into: 'I don't know what she's taking from that... I'm just so happy that she knew that we played that one show!'" Meg White's distinctive primitive drumming style made The White Stripes different from any other rock band at the time, and Jack White's virtuoso guitar skills made them superior. Despite only two members, the band filled arenas and festivals with their ground-shaking sound. A beautiful Pocket Poets hardcover selection of the most memorable and beloved lyrics of Stephen Sondheim Legendary composer and lyricist Stephen Sondheim made his Broadway debut with West Side Story in 1957 at the age of twenty-seven. His remarkable and wide-ranging career has spanned more than six decades since then, and he has accumulated accolades that include eight Tony Awards, an Academy Award, eight Grammy Awards, six Laurence Olivier Awards, a Pulitzer Prize, the Kennedy Center Honors, and a Presidential Medal of Freedom. Sondheim redefined musical theater with his groundbreaking work, combining words and music in ways that are by turns challenging, moving, witty, profound, and never less than exhilarating. This volume includes a selection of lyrics from across his career, drawn from shows including West Side Story, Gypsy, Company, Follies, A Little Night Music, Sweeney Todd, Sunday in the Park with George, Into the Woods, and more. The result is a delightful pocket-sized treasury of the very best of Sondheim. musical scores, lyrics & libretti. My Dream expresses my slow disillusion with the so called American dream. The illusion had lifted and I began to realize exactly what lies had been fed to all. Head On Collision continues the realization that something has never been quite right. And Nothing Happened was written in response to the dire Y2K predictions made by the evangelical preachers in 1999 about the end of the world. Prying Eyes and Losin' Your Faith were companion songs to And Nothing Happened as is So What Were You Saying?. This Is Not The End and Her-Icane were written about my first wife and The New Me was yet another declaration of independence from her. Girls Drive Me Crazy was a piece that dated, at least the first verse, from 1993 which I finished. Wild Streak is a bit of fun inspired by Jethro Tull's Bungle In The Jungle while Get Out Of My Face is all out rebellion against popular religion and the dogma of greed that it has come to represent. Sometimes It Just Don't Pay is yet another observation of the conflict between my father and I...this time, a look at religion and its hypocrisy in the home. The Rose is a gentle piano driven lovesong. To Oliver is a concept song...a father's letter to his son. Amy Winehouse: In Her Words shines a spotlight on her incredible writing talent, her wit, her charm, and lust for life. Curating Amy's own never-before-seen journals, handwritten lyrics, and family photographs together for the first time, this intimate tribute traces her creative evolution growing up in North London to global superstardom, providing a rare insight into the girl who grew up to become a legend. Global icon Six-time Grammy winner Headline-maker The most talented recording artist of her generation Much has been said about Amy Winehouse since her tragic death at only twenty-seven. But who was the real Amy? Despite her phenomenal life being cut short in 2011, Winehouse has without a doubt changed the music industry and left a lasting legacy. Now in honor of her 40th birthday, her parents Janis and Mitch Winehouse have compiled never-before-seen photographs, lyrics, journal entries, and mementos that will show fans, music aficionados, and pop culture fanatics Winehouse's incredible writing process and creative mind. Before her untimely death, Winehouse had written, collaborated on, and sung several chart-topping songs including "Valerie" and "Back to Black." In 2008, she was nominated for 6 Grammys and won 5, including three of the "Big Four" Best New Artist, Record of the Year, and Song of the Year, making her the first British female to win 5 Grammys. She even won a posthumous Grammy in 2012 for her collaboration on the song "Body and Soul" with Tony Bennett. This highly designed book reveals the real Amy Winehouse and dives into her unmatched artistic ability. With the support of her parents and the Amy Winehouse Foundation, Amy Winehouse is truly a visual celebration of the singer's life and reflects her sense of fun, emanates her strong spirit, and unfolds her inspiring development into an award-winning and chart-topping singer and lyricist. Drawing generously from four centuries of Italian, German and French art song, Exploring Art Song Lyrics embraces the finest of the literature and presents the repertoire with unprecedented clarity and detail. Each of the over 750 selections comprises the original poem, a concise English translation, and an IPA transcription which is uniquely designed to match the musical setting. Enunciation and transcription charts are included for each language on a single, easy to read page. A thorough discussion of the method of transcription is provided in the appendix. With its wide-ranging scope of repertoire, and invaluable tools for interpretation and performance, Exploring Art Song Lyrics is an essential resource for the professional singer, voice teacher, and student.
