Sir William Temple, diplomat, statesman, and writer, retired to his garden in the 1680s and wrote what has become one of the key texts, not only of gardening, but also of the English aesthetic. It was he who introduced the idea of the charm of irregularity, and who gave it the allegedly Chinese name sharawaggi. The English style of landscape gardening can be traced in a direct line to this essay, which has not been in print for over 95 years. Written with an eye on Israel, which is "unquestionably coming more and more into the arena of world events ... this trend is due to increase rapidly as the world nears its fateful and cataclysmic denouement. As the child of God views the people of Israel drawn more and more into the very vortex of global affairs, he may be assured that the hour of the Church's redemption draws on apace. God has more than once in His Word indicated time elements with regard to Israel ... and as we study the timepiece of God, we shall know where we are in God's dealings and how we are to conduct ourselves in these last days of a fast dying age"--Preface.
